La Lectura Francisco López Acebal, 1903

La Lectura, 1911 **¿Qué es la dignidad humana?** Francesc Torralba Roselló, 2011-01-01 Se ha convertido la palabra dignidad en una palabra vacía Qué significados alberga esta expresión Por qué se reitera en las grandes declaraciones universales en las constituciones democráticas y en los códigos deontológicos Qué significa vivir con dignidad Qué significa morir

con dignidad El objeto central de este libro consiste en explorar el concepto de dignidad humana tanto desde un punto de vista conceptual como histórico y abordar las propuestas típicas de tres pensadores contemporáneos Peter Singer Hugo Tristram Engelhardt y John Harris que discuten la tesis de la sublime dignidad de la persona humana La idea según la cual la persona ocupa el lugar sublime en la creación y es poseedora de una intrínseca dignidad se ha convertido en un objeto inquietante del pensamiento contemporáneo A lo largo del ensayo el autor trata de responder críticamente a sus objeciones y finalmente propone un concepto renovado de persona
