Value Issue Of Business:

The Value Issue of Business Alvar O. Elbing, Carol J. Elbing, Carol Elbing, 1967 As technology is revolutionized and organizations are expanded the underlying value framework for decision and policy making becomes more and more crucial This book undertakes to provide a clear framework for the value issue of business as it is faced by any decision maker It provides a basis for systematic discussion problem solving and inquiry into the many social value problems of business today Whenever the social value issue of business is raised in public discussion assumptions from the classical economic model are generally taken for granted in the very framing of the issue Therefore this book begins with the premise that the first step in any analysis of the business value issue must be examine these basic assumptions Section I presents a critique of the underlying value assumptions and of the popular formulas based on them from an economic point of view Section II presents an alternative On the grounds that business is a social system as well as a technical economic system it proposes that the value issue be structured in social rather than in solely economic terms It demonstrates that it is from all of the social acts of business rather than from abstracted economic acts that the formulation of the value issue must be derived It clarifies the value issue inherent in the relationship of business to the individual to groups and to domestic and foreign societies Finally on the basis of the systematic analysis of the value issue Section III undertakes an examination of the topic of method for objective value inquiry Publisher **English in Business** Jacek Gordon, 2023-10-10 ENGLISH IN BUSINESS to angielsko polski sownik i leksykon definicji z zakresu szeroko rozumianego sownictwa z dziedziny finans w bankowo ci oraz termin w ekonomicznych i u ywanych w ubezpieczeniach Ca o liczy ponad 12 tysi cy hase sownikowych oraz 6725 definicji opisowych Publikacja jest tak e podr cznikiem dla os b ucz ych si Business English i jest przeznaczona na komputery i tablety **Study Guide to Accompany Financial Accounting, Tools for Business Decision-Making, Fourth Canadian Edition** Gerry Dupont, Cecilia M.
