of Construction Projects

Second Edition

John Kelly · Steven Male · Drummond Graham

WILEY Blackwell

The background of the cover features a complex, abstract graphic design in shades of green. It consists of several overlapping, flowing lines that create a sense of movement and depth. A prominent circular element, resembling a mesh or a sphere, is positioned in the lower right quadrant, surrounded by these dynamic lines. The overall effect is modern and technical, reflecting the book's focus on construction and value management.
