# VALUES FOCUS OF THE WEEK

## UNITY AND FELLOWSHIP

"Behold, how good and how pleasant it is for brethren to dwell together in unity!" - Psalm 133:1

**"Unity isn't just about being in the same space—it's about standing together with purpose, grace, and love. When we choose fellowship over division, we create a community where hearts are strengthened, burdens are shared, and growth becomes collective."**

biocultural heritage in its holistic wholeness While taking into cognizance the issues of interfacing namely cross cultural knowledge integration Information and Communication Technologies ICT and Intellectual Property Rights IPR the volume attempts to add value to its basic ecosemiotic museological proposition and strengthen its case through presentation of and comments on a diverse range of secondary case studies of ongoing conservational initiatives from across the globe that highlight the ingredients of success as well as non performance of such efforts The ultimate goal of the historical surveys intellectual exercises and the case studies in this volume are to capture the nuances that can help decolonize not just museology or conservation but development and sustainability itself And hopefully help make advances towards a decentralized museological governance for the invaluable indigenous biocultural heritage that still lies strewn across the globe in various stages of decimation Responsible Leadership Nicola M. Pless,Thomas Maak,2012-11-27 These chapters on Responsible Leadership represent the latest thinking on a topic of increasing relevance in a connected world There are many challenges that still remain when it comes to establishing responsible leadership both in theory and practice Whilst offering conceptualisations for the improvement of leadership is a first and perhaps easier response what is more difficult is to facilitate the actual change to happen These chapters will not only generate interest in the emerging domain of studies on responsible leadership but also will pave the way for future research in this area in the years to come Previously Published in the Journal of Business Ethics Volume 98 Supplement 2 2011 **Nature** ,1890 **The Photographic News** ,1888
