Vampire Child:

Vampire Child Ruby Jean Jensen,R. J. Jensen,1990 Babette could not understand why her crazy mother Ketti hated and feared her little brother Paddy Then one horrible night y was found dead in his crib and Ketti ran away with Babette But now the prodigal son has found them again ready for a bloody reunion of unspeakable evil [Vampire's Cattle](#) Jessie Jean Ketz,2021-05-18 The world is no longer run by humans Taken over by vampires a thousand years ago the planet has been able to rejuvenate and is now governed as a civilized society by The Collective Prince Alexander Gronovski and his family are the owners of the world s only all female cattle farm There responsibility to provide vampire kind with feeders and carriers for their offspring The only way vampires can produce pure blood children is to undergo the impregnation ceremony Alex and his lover Jade must over see the ceremony and deliver the vampire babies whilst fending off his killer father a promised bride and hormonal humans **The Child in Post-Apocalyptic Cinema** Debbie Olson,2015-03-06 The child in many post apocalyptic films occupies a unique space within the narrative a space that oscillates between death and destruction faith and hope The Child in Post Apocalyptic Cinema interrogates notions of the child as a symbol of futurity and also loss By exploring the ways children function discursively within a dystopian framework we may better understand how and why traditional notions of childhood are repeatedly tethered to sites of adult conflict and disaster a connection that often functions to reaffirm the rightness of past systems of social order This collection features critical articles that explore the role of the child character in post apocalyptic cinema including classic recent and international films approached from a variety of theoretical methodological and cultural perspectives **Vampire Child** Paul Blum,2012-10-31 Vampires inc is a series spine tingling stories aimed at reluctant older readers Vampires Inc follows John an author and Rose a vampire hunter keep order in Brighton a beachfront city with a secret Over five decades children have gone missing on the anniversary of a terrible tragedy in Brighton [The Cultural Construction of Monstrous Children](#) Simon Bacon,Leo Ruickbie,2020-09-30 The Cultural Construction of Monstrous Children raises important questions at the heart of society and culture and through an interdisciplinary trans cultural analysis presents important findings on socio cultural representations and embodiments of the child and childhood At the start of the 21st new anxieties constellate around the child and childhood while older concerns have re emerged mutated and grown stronger But as historical analysis shows they have been ever present concerns This innovative and interdisciplinary collection of essays considers examples of monstrous children since the 16th century to the present spanning real life and popular culture to exhibit the manifestation of the Western cultural anxiety around the problematic anomalous child as naughty dangerous or just plain evil The book takes an inter and multidisciplinary approach drawing upon fields as diverse as sociology psychology film and literature to study the role of the child and childhood within contemporary Western culture and to see the historic ways in which each discipline intersects and influences the other **The Vampire** Montague Summers,1928 [Fear of Aging](#) João Paulo Guimarães,2025-02-27 In the genre of horror

elderly people are often used as a trope to evoke both a fear of death and a fear of aging Old age is therefore equated with bodily mental or social decline The contributors of this book investigate what exactly we are afraid of when we posit old age as a source of horror The aim is to harness the thrills and pleasures of horror to think about how quality of life can be improved in old age and how elderly people can be better integrated in our ever fearful and suspicious societies

Growing Up with Vampires Simon Bacon, Katarzyna Bronk, 2018-07-10 Vampire narratives are generally thought of as adult or young adult fare yet there is a long history of their appearance in books film and other media meant for children They emerge as expressions of anxiety about change and growing up but sometimes turn out to be new best friends who highlight the beauty of difference and individuality This collection of new essays examines the history of vampires in 20th and 21st century Western popular media marketed to preteens and explores their significance and symbolism
