Vincent Van Gogh

Van Gogh:

Vincent Van Gogh Richard Thomson,2008 This volume presents an in depth look at Vincent van Gogh s painting The Starry Night one of the most beloved works in the collection of The Museum of Modern Art An essay by Richard Thomson Watson Gordon Professor of Fine Art at the University of Edinburgh and full color reproductions including sumptuous details that offer close observation of the artist s singular technique allow for a deeper understanding of this iconic work BOOK JACKET *Starry Night* Martin Bailey,2018-08-27 Starry Night is a fully illustrated account of Van Gogh s time at the

asylum in Saint Remy Despite the challenges of ill health and asylum life Van Gogh continued to produce a series of masterpieces cypresses wheatfields olive groves and sunsets He wrote very little about the asylum in letters to his brother Theo so this book sets out to give an impression of daily life behind the walls of the asylum of Saint Paul de Mausole and looks at Van Gogh through fresh eyes with newly discovered material **Van Gogh in Popular Culture** Lynnette

Porter,2015-12-11 Vincent van Gogh continues to fascinate more than a century after his death in 1890 Yet how much of what is commonly known about this world renowned artist is accurate Though he left thousands of works and a trove of letters the definitive Van Gogh remains elusive Was he a madman who painted his greatest pieces in a passionate fury or a lifelong student of art literature and science who carefully planned each composition Was he a loner dedicated only to his craft or an active collaborator with his contemporaries Why is he best known for self mutilation and The Starry Night This book has biographers scriptwriters lyricists actors museum curators and tour guides among others presenting diverse interpretations of his life and work creating a mythic persona that may in fact help us in the search for the real Van Gogh

Learning from Henri Nouwen and Vincent van Gogh Carol A. Berry,2019-05-07 Including unpublished material recorded from Henri Nouwen s lectures this book comes at the request of the Henri Nouwen s literary estate from someone who knew him as a teacher and friend Carol Berry brings her own experience in both ministry and art education to bear as she unpacks the much misunderstood spiritual context of Vincent van Gogh s work and reinterprets van Gogh s art in light of Nouwen s lectures **Dear Theo** Vincent van Gogh,Theo van Gogh,1946 Van Gogh s brother Theo was his confidant and

companion and in his letters to him Van Gogh reveals himself as artist and man Even more than if he had purposely intended to tell his life story Van Gogh s letters lay bare his deepest feelings as well as his everyday concerns and his views of the world of art **Personal Recollections of Vincent Van Gogh** Elisabeth Duquesne Van Gogh,2016-12-27 Twenty three

years after Van Gogh s suicide his sister published this intimate view of the artist s life art and philosophy The memoir is illustrated with reproductions of several of Van Gogh s most characteristic works **Van Gogh** Vincent van

Gogh,2011-07-01 Vincent van Gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other Van Gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider An article published in 1890 gave details about van Gogh s illness The author of the

article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological Very little is known about Vincent's childhood At the age of eleven he had to leave the human nest as he called it himself for various boarding schools The first portrait shows us van Gogh as an earnest nineteen year old At that time he had already been at work for three years in The Hague and later in London in the gallery Goupil Co In 1874 his love for Ursula Loyer ended in disaster and a year later he was transferred to Paris against his will After a particularly heated argument during Christmas holidays in 1881 his father a pastor ordered Vincent to leave With this final break he abandoned his family name and signed his canvases simply Vincent He left for Paris and never returned to Holland In Paris he came to know Paul Gauguin whose paintings he greatly admired The self portrait was the main subject of Vincent's work from 1886c88 In February 1888 Vincent left Paris for Arles and tried to persuade Gauguin to join him The months of waiting for Gauguin were the most productive time in van Gogh's life He wanted to show his friend as many pictures as possible and decorate the Yellow House But Gauguin did not share his views on art and finally returned to Paris On 7 January 1889 fourteen days after his famous self mutilation Vincent left the hospital where he was convalescing Although he hoped to recover from and to forget his madness but he actually came back twice more in the same year During his last stay in hospital Vincent painted landscapes in which he recreated the world of his childhood It is said that Vincent van Gogh shot himself in the side in a field but decided to return to the inn and went to bed The landlord informed Dr Gachet and his brother Theo who described the last moments of his life which ended on 29 July 1890 I wanted to die While I was sitting next to him promising that we would try to heal him he answered *La tristesse durera toujours* The sadness will last forever *The Letters of Vincent Van Gogh to His Brother, 1872-1886* Vincent van Gogh,1927 *Vincent Van Gogh* Ingo F. Walther,Vincent van Gogh,Rainer Metzger,1993 *Conversations with Van Gogh* Vincent Van Gogh,Simon Parke,2010-04-01 *Conversations with Van Gogh* is an imagined conversation with this remarkable figure But while the conversation is imagined Van Gogh's words are not they are all authentically his Speaking with Vincent was a privilege says Simon Parke He's endlessly fascinating contradictory moving funny insightful and tragic **Vincent van Gogh** Vincent van Gogh,Victoria Charles,2014-02-14 The incarnation of the myth of a cursed artist Vincent van Gogh 1853 1890 is a legend who became a reference for modern art An Expressionist during the Post Impressionist movement his art was misunderstood during his lifetime In Holland he partook in the Dutch realist painting movement by studying peasant characters Anxious and depressed Vincent van Gogh produced more than 2000 artworks yet sold only one in his lifetime A self made artist his work is known for its rough and emotional beauty and is amongst the most popular in the art market today *Van Gogh and the Colors of the Night* Vincent van Gogh,Sjraar van Heugten,Joachim Pissarro,Chris Stolwijk,2008 Van Gogh's paintings of night and evening scenes Includes essays by scholars from the Van Gogh Museum in Amsterdam provide a context for understanding the artist's motives and offering insight into Van Gogh's artistic practices **Ever Yours** Vincent van Gogh,2013-12-01 An abridged edition of the complete six volume

publication Vincent van Gogh the letters the complete illustrated and annotated edition 2009 Title page verso *Van Gogh* Julian Bell, 2022-01-25 I believe in the absolute necessity of a new art of colour of drawing and of the artistic life Vincent van Gogh wrote to his brother Theo in 1888 And if we work in that faith it seems to me that there s a chance that our hopes won t be in vain His prediction would come true In his brief and explosively creative life he committed suicide a few years later at the age of thirty seven Van Gogh made us see the world in a new way His shining landscapes of Provence and somber portraits of workers shattered the relationship between light and dark and his hallucinatory visions were so bright they nearly blinded the world He was a great writer as well In his six hundred plus letters to Theo he chronicled with heartbreaking urgency his mental breakdowns acrimonious family relations and struggles with art dealers who largely ignored him until the last years of his life Shading this dark story is the artist s acquaintance with prostitutes and penury stormy scenes with his friend Paul Gauguin and dissipated Parisian nights with Henri de Toulouse Lautrec Julian Bell s passion for his subject brings the painter to life Bell writes with slashing intensity at once scholarly and defiantly partisan I have written this book out of my love for Vincent van Gogh the uniquely exciting painter and Vincent van Gogh the letter writer of heart piercing eloquence he declares For Bell Van Gogh was an artistic genius and more he was a wonder of the world **Van Gogh and Expressionism** Patrick Bridgewater, 2007 This publication is the first to examine the enormous influence of Van Gogh on German and Austrian Expressionism It presents numerous masterpieces by Van Gogh and the Expressionists including extremely powerful works by the painters of Die Brucke Der Blaue Reiter and the Viennese avant garde BOOK JACKET Stranger on the Earth; a Psychological Biography of Vincent Van Gogh Albert J. Lubin, 1972 The personality of Vincent van Gogh 1853 1890 a 9th century combination of dropout rebel and genius and the source of his enormous achievement continue to fascinate people as deeply as his vivid wildly painted canvasses of sunflowers peasants and starry nights In this first and only in depth study of the relationship between van Gogh s psychological development and his art Albert J Lubin Clinical Professor of Psychiatry Emeritus at Stanford University and a practicing psychoanalyst draws on the tremendous wealth of information available about van Gogh to explore his personal conflicts in the context of the forces that molded him familial historical cultural religious artistic and literary Dr Lubin approaches van Gogh not as a mysterious mix of sick eccentric and martyred artist but as a complete man who transformed his suffering into a phenomenal body of work Lubin s daring psychological insights and art criticism create a compelling portrait that allows us to better understand and more fully appreciate van Gogh s artistic triumph over his inner torment *Van Gogh's Finale* Martin Bailey, 2021-11-09 Van Gogh s Finale is a definitive account of the final days of the artist s life and the incredible story of what followed *Van Gogh's Ghost Paintings* Cliff Edwards, 2015-06-03 One of the most significant and revealing paintings by the world famous artist Vincent van Gogh was never seen by anyone but the artist himself The painting was so important to the artist that he painted it twice He was so conflicted about the painting that he destroyed it twice Cliff Edwards argues

these two unique paintings Vincent created and destroyed are at least as important to understanding the artist and his work as are the two thousand or more paintings and drawings that do exist In *Van Gogh's Ghost Paintings* Edwards invites his readers on a journey that begins in a Zen master's room in Japan and ends at a favorite site of the artist a ruined monastery and its garden in the south of France Recovering the intent of van Gogh and the nature of his ghost paintings becomes a zen koan waiting to be solved The solution offers access to the deepest levels of the artist's life as painter and spiritual pilgrim The journey leads to the artist's choice of the biblical theme of the Garden of Gethsemane The answer to the mystery of the lost paintings illuminates the relationship of joy and suffering discovery and creation religion and the arts in van Gogh's life and work In this fascinating book Edwards solves a long ignored mystery that provides a critical key to the relation of van Gogh's religion and art

Van Gogh and God Cliff Edwards, 1989 Explore the depth of this brilliant and tortured artist's spirituality and find a new Van Gogh philosopher of life unorthodox theologian and determined seeker of global spirituality

Van Gogh Drawings Vincent Van Gogh, 1877-1890 Shows Van Gogh's sketches of peasants workers landscapes street scenes and gardens and includes a brief outline of the artist's life

The Enthralling Realm of E-book Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and ease of availability, have liberated readers from the constraints of physical books.
