Van Morrison No Surrender:

Van Morrison Johnny Rogan, 2006 Reclusive difficult and enigmatic Van Morrison is a gifted singer songwriter and an endlessly complicated man In *Van Morrison No Surrender* Johnny Rogan has produced a provocative and revelatory biography of the musician analysing the sense of place in his work and the tortuous journey that took him from local fame in Belfast to international success Set against the cultural and political backdrop of Belfast before during and after the Troubles *No Surrender* offers a unique and penetrating perspective on Morrison s long career and the times that made him This paperback edition includes a new epilogue

The Places of Van Morrison's Songwriting Geoff Munns, 2022-12-21 What can we learn about Van Morrison s life and work as a songwriter through his songs This book looks closely at the lyrics and music from a selection of his songs Some are very well known *Brown Eyed Girl* *Cleaning Windows* and *The Healing Game* Others are less familiar Through these songs the book offers insights into some of the most important ideas that the songwriter has explored across his five decade plus career starting from the Them period and extending through his solo albums These readings show how thinking about Morrison s use of place provides a specific lens that contributes to a greater understanding of his art The songs are organized into chapters that reflect many of the important places in Morrison s work as he ventured professionally and imaginatively away from the places of his upbringing towards a wider musical world These places are in city streetscapes and country landscapes in home places of streets and ditches in the enclosed spaces of rooms in the expansive reaches of the natural world in indeterminate and specific foreign lands A picture emerges of the journey that Van Morrison details through his songs one that sees him first wandering as a boy through his East Belfast haunts and then venturing out to a wider world away from this local place
