## Vancouver's Past:

**Vancouver Past: Essays in Social History** Robert A. J. McDonald, Jean Barman, 1986-01-01 Focusing on Vancouver's social history the essays written for this special edition of BC Studies treat hitherto neglected areas of the city's past and bring new insights into how its residents lived and worked. Receiving particular attention is the socio-economic and residential structure of Vancouver with one author arguing that the city's economy created an urban working class which was at once more complex and politically more conservative than that of the highly polarized communities on Vancouver Island and in the Interior.

**Vancouver's Old-Time Scoundrels** Foran Jill, 2003 The story of John Deighton one of Vancouver's colourful characters whose life was rife with adventure and skulduggery.

[Vancouver Book of Everything](#) Samantha Amara, 2008-08-15 The go to book on Canada's west coast gem from affordable activities to crime and punishment slang to weather people to politics and much more. From Gassy Jack Deighton and the Klondike Gold Rush to the Chinese Head Tax to Japanese Internment the Strathcona Protest Vancouver Canucks and the 2010 Olympic Winter Games to profiles of the original Dominic Da Vinci Larry Campbell famed author Douglas Coupland and environmentalist David Suzuki no book is more comprehensive than the Vancouver Book of Everything. No book is more fun. Well known Vancouverites weigh in on every aspect of their beloved city. Historian Chuck Davis gives us his top five events that shaped its history author Jen Sookfong Lee gives us her top five best things about living in Vancouver Vancouver Sun restaurant critic Mia Stainsby gives us the city's top five cheap eats and Global TV's meteorologist Mark Madryga offers up his top five Vancouver weather events. From the city's First People and infamous weather to its slang heinous crimes and the ubiquitous Japa dog it's all here. Whether you are a lifelong resident or visiting for the first time there is no better resource about the city of Vancouver you'll love the Vancouver Book of Everything. Even born and bred Vancouverites will doubtless find something of interest in the Vancouver Book of Everything. The Westender The book combines tourist elements with facts that even seasoned Vancouverites may not know. Miss604 When your friends start asking questions about the city hand them the Vancouver Book of Everything Vancouver Sun.

*Becoming Vancouver* Daniel Francis, 2021-09-25 A brisk chronicle of Vancouver BC from early days to its emergence as a global metropolis refracted through the events characters and communities that have shaped the city. In *Becoming Vancouver* award winning historian Daniel Francis follows the evolution of the city from early habitation by the Musqueam Squamish and Tsleil Waututh First Nations to the area's settlement as a mill town to the flourishing era speakeasies and brothels during the 1920s to the years of poverty and protest during the 1930s followed by the long wartime and postwar boom to the city's current status as real estate investment choice of the global super rich. Tracing decades of transformation immigration and economic development Francis examines the events and characters that have defined the city's geography economy and politics. Francis enlivens his text with rich characterizations of the people who shaped Vancouver determined Chief Joe Capilano who in 1906 took a delegation to England to appeal directly to King
