# Vanishing Japan

**Hajime Ishikura, Masayoshi Namiki**

## Vanishing Japan:

*Vanishing Japan* Elizabeth Kiritani, 2012-01-17 This classic text of Japanese culture contains a wealth of information about traditional Japan and Japanese customs Pawnshops and handmade paper shoe shiners and Shinto jugglers money rakes and mosquito netting all these were once a familiar part of daily life in Japan Many elements of that daily life like the Obon dances and oreiboko apprenticeships have no counterpart in any other culture they are purely unique to Japan But with the tremendous changes of the modern age most traces of traditional life in Japan are fast disappearing soon to be gone forever Still there are a few holdouts especially in Japan s shitamachi or working class neighborhoods where many of the survivors of Japanese crafts art forms and festivals are making their last stand *Vanishing Japan* is a must read for tourists historians architects or artists who are interested in Japanese culture

*The Vanished* Léna Mauger, 2016-09-20 Every year nearly one hundred thousand Japanese vanish without a trace Known as the johatsu or the evaporated they are often driven by shame and hopelessness leaving behind lost jobs disappointed families and mounting debts In *The Vanished* journalist L na Mauger and photographer St phane Remael uncover the human faces behind the phenomenon through reportage photographs and interviews with those who left those who stayed behind and those who help orchestrate the disappearances Their quest to learn the stories of the johatsu weaves its way through A Tokyo neighborhood so notorious for its petty criminal activities that it was literally erased from the maps Reprogramming camps for subpar bureaucrats and businessmen to become better employees The charmless citadel of Toyota City with its iron grip on its employees The suicide cliffs of Tojinbo patrolled by a man fighting to save the desperate The desolation of Fukushima in the aftermath of the tsunami And yet as exotic and foreign as their stories might appear to an outsider s eyes the human experience shared by the interviewees remains powerfully universal

**Vanishing Japan** Morton Wesley Huber, 1965 *Looking for the Lost* Alan Booth, 2021-04-21 A VIBRANT MEDITATIVE WALK IN SEARCH OF THE SOUL OF JAPAN Traveling by foot through mountains and villages Alan Booth found a Japan far removed from the stereotypes familiar to Westerners Whether retracing the footsteps of ancient warriors or detailing the encroachments of suburban sprawl he unerringly finds the telling detail the unexpected transformation the everyday drama that brings this remote world to life on the page *Looking for the Lost* is full of personalities from friendly gangsters to mischievous children to the author himself an expatriate who found in Japan both his true home and dogged exile Wry witty sometimes angry always eloquent Booth is a uniquely perceptive guide *Looking for the Lost* is a technicolor journey into the heart of a nation Perhaps even more significant it is the self portrait of one man Alan Booth exquisitely painted in the twilight of his own life

**Gastric Anisakiasis in Japan** Hajime Ishikura, Masayoshi Namiki, 2012-12-06 The larvae of Anisakis whose adult form lives on sea mammals such as whales seals and dolphins are parasitic upon many species of salt water fish When the final host animals eat paratenic hosts the larvae grow to adulthood in the hosts stomach However when hu mans eat these infested fish the larvae die instead causing a disease called anisakiasis In 1960 in the Netherlands

van Thiel et al found a worm in the intestinal wall of a patient who had eaten raw herring and had suffered symptoms of acute abdomen. The impact of this report was tremendous among Japanese parasitologists because of the Japanese habit of eating raw fish. In 1964 the Special Research Group from the Ministry of Education was established to investigate the disease stimulating progress in the study of anisakiasis. Three types of worm: *Anisakis simplex* larva previously known as *Anisakis larva* type I, *Anisakis physeteris* larva, *Anisakis larva* type II and *Pseudoterranova decipiens* larva type A are believed to cause anisakiasis. As many as 165 kinds of fish and squid in the seas near Japan are hosts to *Anisakis simplex* and 9 species are hosts to *Pseudoterranova decipiens* larvae. *Contra caecum* has experimentally been observed to invade the gastrointestinal tract but no infection by this larva has been reported in humans. A case of infection by *Pseudoterranova decipiens* type B has been described. In Japan the name *Terranova decipiens* Shiraki 1974 has been adopted instead of *Phocanema decipiens* Mozgovoi 1953. **Japan's Early Experience of Contract Management in the Treaty Ports** Yuki Allyson

Honjo, 2013-12-19 This is the first in depth study of the early trial and error experiences of contracting between Japanese and western merchants trading in the Japanese Treaty Ports in the eighteen year period immediately following the opening of the ports in 1859. Fundamental to the equation were the inevitable east west cultural and legal ambiguities that impacted on the traders. The learning curve for both westerners and Japanese regarding the nature and application of western contracting law was predictably difficult, tortuous and open to constant misunderstanding. Nevertheless it was within such a framework that the principal benchmarks for trade with Japan were set down and which in essence have lasted to the present day. **The Sudden Disappearance of Japan** James Dale Brown, 1994 [Ennobling Japan's Savage Northeast](#) Nathan

Hopson, 2020-10-26 [Ennobling Japan's Savage Northeast](#) is the first comprehensive account in English of the discursive life of the Tohoku region in postwar Japan from 1945 through 2011. The Northeast became the subject of world attention with the March 2011 triple disaster of earthquake, tsunami and nuclear meltdown. But Tohoku's history and significance to ethnic understandings of Japanese self and nationhood remain poorly understood. When Japan embarked on its quest to modernize in the mid nineteenth century, historical prejudice, contemporary politics and economic calculation together led the state to marginalize Tohoku, creating a backward region in both fact and image. After 1945 a group of mostly local intellectuals attempted to overcome this image and rehabilitate the Northeast as a source of new national values. This early postwar Tohoku recuperation movement has proved to be a critical source for the new Kyoto school's neoconservative valorization of native Japanese identity, fueling that group's antimodern, anti-Western discourse since the 1980s. Nathan Hopson unravels the contested postwar meanings of Tohoku to reveal the complex and contradictory ways in which that region has been incorporated into Japan's shifting self-images since World War II. [Japan](#), 1923 [Asian Futures, Asian Traditions](#) Edwina Palmer, 2021-10-01 To what extent are our futures likely to be determined by our traditions from the past? [Asian Futures, Asian Traditions](#) is a collection of conference papers by scholars of Asian Studies who explore the topics of continuity and change in

Asian societies through essays in history politics gender studies language literature film performance and music Recurring among the themes of the book are the invention and reinvention of tradition nostalgia issues of national and ethnic identity colonial heritage nationalism reform and the effects of globalizing economies Both the power and the precariousness of several Asian economies are revealed in studies of the Asian Economic Crisis of the late 1990s and the conversion of some communist states to market socialism An Immigrant in Japan Theodate Geoffrey, Dorothy Godfrey Wayman, 1926

*Japan*, The Cherry Blossom Festival Ann McClellan, 2005 The most significant of the more than 175 varieties of Japanese ornamental trees featured along with a discussion of Japanese garden design and cultivation tips for home gardeners Frommer's Japan, 1996 **Japan Close-up**, 2005 Frommer's Japan Beth Reiber, Janie Spencer, 1998-07-09 Frommer's Japan is the premier guide to this fascinating destination offering an authoritative introduction to the nation's culture and history accompanied by a wealth of logistical advice etiquette tips and detailed color maps to help travelers find their way This new edition provides detailed walking directions to every sight mentioned and a user friendly glossary of Japanese phrases accompanied by a Japanese character guide that helps readers recognize establishment names In addition to reviewing the top business hotels and expense account restaurants our author has rounded up the best affordable and moderately priced hotels and restaurants throughout the country so there are choices galore for any budget Frommer's is there every step of the way to help travelers discover the scenic wonders intriguing cultural experiences and dazzling cities of the Land of the Rising Sun *The Master-singers of Japan* Clara A.
