Enemy Under Our Roof Johanna M. W. F. Lemke,2024-03-18 Riveting inspiring and informative Johanna s often graphic memoir *Enemy under Our Roof* is based on the author s experiences in war torn Hengelo the Netherlands in World War II From nights of terror spent in the cellar during air raids to the dreaded razzias when friends and neighbours are taken away to the camps readers will be spellbound as they are

transported back to 1940 s Europe Told through the eyes of young Cobie the narrative adopts an innocence that stands in stark contrast to the realities of war When hordes of Nazi bombers invade the Netherlands Cobie s peaceful orderly world is turned upside down Gradually she must learn to cope with fear loss cruelty and despair As she matures she tries to make sense of the horrors of war and her Christian faith a faith she maintains amid disillusionment and questioning Her most trying experience occurs when a Nazi officer billets himself in her home by force and she is confronted with issues of hatred and forgiveness She must battle both the enemy without and within uncovering valuable truths in the process Throughout the ordeal she is sustained by her older brother s sense of humour her faithful friends and the love and courage of her parents who keep hope alive until the long awaited day of liberation

The Paradox of Success John R. O'Neil,1993 Leaders in all fields suffer from the paradox of success with heartbreaking frequency they feel that the pains of their business victories outweigh the rewards Their accomplishments often evoke the envy and resentment of others Their power and authority often lead to stagnation and isolation their family lives and spiritual lives are held hostage to self imposed grueling schedules Their one sided competitive personalities which carry even into their recreational activities sour their days which should be rich in the joys of accomplishment and growth And they can t let go or step back because their self worth has become tied to maintaining their hard won positions and public images But it doesn t have to be that way Managers leaders and CEOs in companies large and small have learned from consultant John O Neil how to put themselves back on track toward sustained success and deep personal satisfaction O Neil has had a long career in business and educational counseling and has taught thousands of leaders how to sustain personal development through self observation engaging in deep learning and taking time out for regenerative retreats When leaders become deep learners O Neil says they can overcome the paradox of success They can be stewards of an ever changing corporate culture They can be patrons of human growth O Neil promises that long distance leaders can bring their personal self renewal into their organizations reinvigorating them with enthusiasm purpose and delight In a lively and inviting style and with many illustrative anecdotes and personal stories O Neil has produced a book that will reinspire and reenergize leaders in the business and professional community
