# Voices Of Robby Wilde

**Elizabeth Kytle**

## **Voices Of Robby Wilde:**

The Voices of Robby Wilde Elizabeth Kytte, 1995-03-01 An engrossing often disturbing look into the inner life of a paranoid schizophrenic The Voices of Robby Wilde has greatly advanced the popular understanding of mental illness since its first publication in 1987 Robby Wilde heard his first voice when he was nine years old a man's voice clearly saying I've got you With increasing frequency and intensity such hostile uttering would vex Wilde for the rest of his life distorting his behavior and shattering his self esteem Some ten years before his death at age fifty three Wilde asked his friend Elizabeth Kytte to write about his affliction Ranging in time from Wilde's youth in rural North Carolina to his impoverished last days in Columbus Ohio Kytte chronicles the slow unraveling and final breakdown of a life Different views of Wilde his illness and his struggle to live and work as a normal person come forth in a series of twice told tales accounts based on Wilde's own recollections alternate with sometimes vastly differing reports of the same incidents by friends family members coworkers and others who knew and cared about him Wilde's story heightened by his longing to be understood and his acute grasp of his own situation will challenge readers to new levels of respect and compassion for the mentally ill The Voices of Robby Wilde

Elizabeth Kytte, 1989 Robby Wilde was nine years old when he first heard the voices Soon they became a horrifying chorus hounding him out of work friends and sanity Here as never before is a portrait of mental illness told first hand by its victim his friends family co workers and employers **Surviving Mental Illness** Agnes B. Hatfield, Harriet P.

Lefley, 1993-05-22 In this era of revolutionary progress in the areas of science and medicine it comes as no surprise that knowledge of the biology of mental illness and psychopharmacologic treatments has increased greatly within the past few decades During this same time frame however the experiential side of mental illness has been almost completely neglected by researchers and educators Fortunately the trend is being reversed Leading authorities are becoming increasingly aware that the personal experiences of people with severe and persistent mental illness can reveal the most authentic and perhaps most helpful information on behaviors that have long puzzled professionals in the field This has contributed to a renewed and growing interest in learning more about the ways people experience mental illness and the process of recovery Leading the way in redressing the imbalance this book examines the subjective experiences of patients with multiple diagnoses including schizophrenia bipolar illness major endogenous depression and other disorders with psychotic features and long term disabling consequences Numerous personal accounts are drawn from research reports newsletters journals spoken reports and observed behavior to shed light on the inner worlds of people afflicted with severe and persistent mental illness The volume covers a wide range of topics starting with disturbances in the sense of self in emotions relationships and behaviors and in the ways reality is experienced by the mentally ill In the process some common patterns of lifetime experience are revealed even among patients with great differences in levels of functional capability and in their emotional and rational assessment of their experience The final section of the book is directed toward understanding the process of acceptance

growth toward recovery and the development of an acceptable identity and new purpose in life Material is presented within the conceptual framework of coping and adaptation and self theory in addition considerable attention is given to the patient's perception of which types of personal and professional relationships have been helpful or not helpful As a result the book yields important lessons from the patients themselves on how service providers caregivers and the community at large can be most helpful to those afflicted with major mental illness Professionals who wish to increase their capacity for empathy develop more effective rehabilitation strategies and advance research linking brain anomalies and patient experience will find this book illuminating Because it illustrates in moving and powerful ways how people truly experience psychiatric disability in a society that demeans their condition and in a helping environment that only dimly understands their agony the book will be extremely useful for psychiatrists psychologists social workers psychiatric nurses educators and graduate students in psychopathology and clinical skills training *Eudora Welty Newsletter*, 1996 **Print** Martha T. Mooney, 1995 Excerpts from and citations to reviews of more than 8 000 books each year from 109 publications Electronic version with expanded coverage and retrospective version available see p 5 and p 31 Pricing Service Basis Books **The Skipping Stone** Mona Wasow, 1995 Drawing on her experience as the parent of a severely mentally ill child and an advocate for the National Alliance for the Mentally Ill Wasow social work Univ of Wisconsin Madison focuses on the impact of people with severe mental illness on children spouses siblings and other relatives She addresses emotional responses such as grief anger frustration and hope offers coping strategies for family members and suggests implications for clinicians Based on Wasow's reviews of the literature as well as surveys and extended interviews with a selected group of respondents this well researched book for an often overlooked group is recommended for most public and academic libraries Lucille Boone San Jose P L Cal Library Journal **Social Work**, 1988 *The Cumulative Book Index*, 1996 A world list of books in the English language *Small Press Record of Books in Print*, 1992 *The British National Bibliography* Arthur James Wells, 2003 *Forthcoming Books* Rose Army, 1995-02 **Willie Mae** Elizabeth Kytte, 1991 First published in 1958 and selected by the New York Times as one of the best books of the year Willie Mae is a first person account of a black woman's life and her experiences as a domestic worker in a succession of southern households in the first half of the century Powerful and poignant sometimes funny and always honest Willie Mae is a testament to the courage and strength of a generation of women who struggled to survive with dignity and humanity in the years before the civil rights movement **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature, 1995 **The Publishers Weekly**, 1995 **Ambition**, 1919 **American Book Publishing Record**, 1995 *When Someone You Love Has a Mental Illness* Rebecca Woolis, 1992-09-18 This indispensable book about love and mental health addresses the short term daily problems of living with a person with mental illness as well as long term planning and care Of special note are the forty three Quick Reference Guides about such topics as responding to hallucinations delusions violence and anger helping your

loved one comply with treatment plans and medication deciding if the person should live at home or in a facility choosing a doctor and dealing with mental health professionals handling the holidays and family activities managing stress helping siblings and adult children with their special concerns Ms Woolis produced a handbook which is both practical and accessible eminently useful for all of us who have a family member with a serious mental illness E Fuller Torrey M D author of *Surviving Schizophrenia* Rebecca Woolis presents easy to follow practical guidelines for coping with the multitude of problems that regularly confront families In minutes the reader can find helpful suggestions for dealing with any problem that might arise Christopher S Amenson Ph D Director Pacific Clinics East *The Georgia Review* ,1995 *Report Groÿbritannien* Royal Commission on Historical Manuscripts,1877 *Calendar of House of Lords Manuscripts [1450-1678]* Great Britain. Parliament. House of Lords,1877

## **Voices Of Robby Wilde** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Voices Of Robby Wilde**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
