**The Minute Book**, 1922 **WTIU**, 2006 **Tomorrow's Tangle** Geraldine Bonner, 1903 Picture of San Francisco life in the 1860s and 1870s with the action of the story set 25 years afterward Voices of the Southwest, 1923 Book of Texan verse *Directions in Sound* WFIU (Radio station : Bloomington, Ind.), 2009 **The Valley of Voices** George Marsh, 1924 **Town & Country**, 1945 *Masonic Voice and Review*, 1905 *Anthology of Magazine Verse* William Stanley Braithwaite, 1928 Vol for 1958 includes Anthology of poems from the seventeen previously published Braithwaite anthologies Susan Lenox David Graham Phillips, 1922 **The Christian Advocate**, 1928 The Lost Colony Paul Green, 2014-06-30 In 1937 The Lost Colony Paul Green s dramatic retelling of the founding and mysterious disappearance of the Roanoke Island colony opened to standing room only audiences and rave reviews Since then the beloved outdoor drama has played to more than 3 million people and it is still going strong Produced by the Roanoke Island Historical Association at the Waterside Theater near Manteo North Carolina The Lost Colony has run for more than sixty summers almost without interruption Production was suspended during World War II when the threat of German submarines prowling the coast made an extended blackout necessary The model for modern outdoor theater The Lost Colony combines song dance drama special effects and music to breathe life into shadowy legend This rendering of the play s text edited and with an introduction by Laurence Avery brings this pioneering work back into print Committed Styles Benjamin Kohlmann, 2014-08-14 Committed Styles offers a new understanding of the politicized literature of the 1930s and its relationship to modernism It reclaims a central body of literary and critical works for modernist studies offering in depth readings of texts by T S Eliot and I A Richards as well as by key left wing authors including William Empson David Gascoyne Charles Madge Humphrey Jennings and Edward Upward Building on substantial new archival research Benjamin Kohlmann explores the deep tensions between modernist experimentation and political vision that lie at the heart of these works Taking as its focus the work of these writers the book argues that the close interactions between literary production critical reflection and political activism in the decade shaped the influential view of modernism as fundamentally apolitical Intervening in debates about the long life of modernism it contends that we need to take seriously the anti modernist impulse of 1930s left wing literature even when attention is paid to the formal complexity of these committed works The tonal ambiguities which run through the politicised literature of the 1930s thus effect not a disengagement from but a more thorough immersion in the profoundly conflicted political commitments of the decade At the same time the study shows that debates about the politics of writing in the 1930s continue to inform current debates about the relationship between literature and political commitment *Catalog of Copyright Entries, Third Series* Library of Congress.
