## **When Christ Lives In Us:**

When Christ Lives in Us Justo L. González, 1996-02 An eight session resource intended for use with adult study groups

When Christ Lives in Us invites people to participate in contemporary forms of Christian ministry through reflection on dimensions of Jesus ministry Christ and the Cross Witness Lee, 2024-01-17 Christ and the cross are the center and the reality of the Bible In their writing all the apostles emphasized Christ and the cross and when we know this matter we will truly appreciate the preciousness of the Bible In order for us to grow in life to see the spiritual things and the spiritual way and to be proper Christians we must know Christ and the cross A person who does not know Christ and the cross cannot do a spiritual work or service that satisfies God's heart In order to grow spiritually or do a spiritual work such as preaching the gospel or administrating the church we must know Christ and the cross The Collected Works of Witness Lee, 1952, volume 1 Witness Lee, Brother Witness Lee was in Taiwan at the beginning of 1952 In the middle of January he conducted a seven day conference in Taipei Taiwan We do not have a record of the messages given at this conference Beginning on February 3 he conducted a ten day special conference These crucial messages are included in the section entitled Serving according to Revelation in volume 2 of the 1950 1951 set On February 27 Brother Lee went to Manila Philippines and he returned to Taipei on June 17 During his time in Manila he conducted a conference on March 30 through April 4 on the subject of life and service We do not have a record of the messages that he gave during that conference However we have Brother Lee's personal notes on various other meetings during his visit to Manila They are included in the section on Brother Lee's personal notes that he made in 1952 After returning to Taiwan from Manila Brother Lee conducted a two week special conference beginning on July 13 The general messages are included in the section entitled Christ and the Cross in volume 1 of this set There were also special messages for responsible ones on how to work how to administrate the church and how to conduct meetings After the conference beginning on July 28 Brother Lee conducted another two week series of meetings on what the church is the knowledge of the Son of God Christ as the building material for the church knowing the self and the natural man the character needed for a worker of the Lord the exercise of the spiritual life and how to conduct meetings These messages for the serving ones are included in the sections entitled Guidelines for the Lord's Table Meeting and the Pursuit in Life The Crucified Christ The Vision Ministry and Leading of the Lord's Serving Ones and How to Administrate the Church which are in volumes 1 and 2 of this set Beginning on September 22 and ending on November 7 Brother Lee conducted a study which took place five days a week on the book of Romans This study brought in a consecration of between four hundred and five hundred saints The messages given during the study are included in the section entitled Revelations in Romans Seeing God's Complete Salvation in volume 2 of this set On November 12 at the conclusion of the study on Romans a love feast was held with over two thousand in attendance At the end of the love feast Brother Lee gave the following word A normal Christian must pursue equally in four things life truth the gospel and service Most people pay attention to the first

three things but neglect the last This is why we need to make this up We need to realize that all the services and expenses should be borne by all the saints no one is in charge of everything or responsible for everything All those who are called by the Lord to work for Him are in the Lord s work Although they minister and lead in spiritual affairs and help the churches they do not burden the churches materially They look directly to the Lord in faith for all their needs The Lord has cared for them On December 10 Brother Lee left Taipei to visit Manila The Collected Works of Witness Lee 1952 volume 1 contains messages given or published by Brother Witness Lee in 1952 Historical information concerning Brother Lee s travels and the content of his ministry in 1952 can be found in the general preface that appears at the beginning of this volume The contents of this volume are divided into five sections as follows 1 A collection of personal notes and diary entries written in 1952 These are included in this volume under the title Witness Lee s Personal Notes 2 Five miscellaneous articles and reports that were originally published in the periodical The Ministry of the Word in 1952 They are included in this volume under the title The Ministry of the Word Miscellaneous Messages 1952 3 Twenty two messages given in Taipei Taiwan in the summer of 1952 These messages originally appeared in the periodical The Ministry of the Word in 1952 and 1953 They were also previously published in a book entitled Christ and the Cross and are included in this volume under the same title 4 Twelve messages given in a training in Taipei Taiwan in 1952 These messages were previously published in a book entitled Guidelines for the Lord s Table Meeting and the Pursuit in Life and are included in this volume under the same title 5 Fourteen messages given in Taipei Taiwan in the summer of 1952 These messages were previously published in a book entitled The Crucified Christ and are included in this volume under the same title

**Free of Charge** Miroslav Volf, 2009-08-30 We are at our human best when we give and forgive But we live in a world in which it makes little sense to do either one In our increasingly graceless culture where can we find the motivation to give And how do we learn to forgive when forgiving seems counterintuitive or even futile A deeply personal yet profoundly thoughtful book Free of Charge explores these questions and the further questions to which they give rise in light of God s generosity and Christ s sacrifice for us Miroslav Volf draws from popular culture as well as from a wealth of literary and theological sources weaving his rich reflections around the sturdy frame of Paul s vision of God s grace and Martin Luther s interpretation of that vision Blending the best of theology and spirituality he encourages us to echo in our own lives God s generous giving and forgiving A fresh examination of two practices at the heart of the Christian faith giving and forgiving the Archbishop of Canterbury s Lenten study book for 2006 is at the same time an introduction to Christianity Even more it is a compelling invitation to Christian faith as a way of life Miroslav Volf one of the most celebrated theologians of our day offers us a unique interweaving of intense reflection vivid and painfully personal stories and sheer celebration of the giving God I cannot remember having read a better account of what it means to say that Jesus suffered for us in our place Dr Rowan Williams Archbishop of Canterbury

**The Conclusion of the New Testament (7)** Witness Lee, In the Lord s recovery during the past five hundred years the

church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

**Ministry Digest, Vol. 04, No. 01** Witness Lee, 2022-01-08. In this issue, we will continue four lines of ministry. The first line, *The History of the Lord's Recovery*, contains chapters 15 through 18 of *The Recovery of the Church* according to the *Pattern on the Mountain*, which are in volume 1 of *The Collected Works of Witness Lee* (1950-1951). This section includes topics related to the spirit and the mind and being conformed to the image of God's Son. The second line, *Words for New Believers*, contains chapters 45 and 46 of *Crucial Truths in the Holy Scriptures* Volume 4 and chapters 47 and 48 of *Crucial Truths in the Holy Scriptures* Volume 5, all of which are in volume 4 of *The Collected Works of Witness Lee* (1932-1949). These chapters cover topics related to the service of the new covenant, the believers, and sins, obtaining the reward, and entering into the kingdom of the heavens. The chapter on entering into the kingdom of the heavens is quite lengthy and it will be continued in subsequent issues of *Ministry Digest*. The third line, *Maturing in Life*, contains chapters 21 through 24 of *The Kingdom*, which are in volume 2 of *The Collected Works of Witness Lee* (1972). These chapters cover the principles of the kingdom and the path from rejection to glory. The fourth line, *The High Peak of the Divine Revelation*, continues with chapters 38 through 41 of *God's New Testament Economy*, which are in volume 3 of *The Collected Works of Witness Lee* (1984). This section contains four chapters on the New Jerusalem that cover the throne in the New Jerusalem and the application of the New Jerusalem to the believers, including its entry, constitution, and existence.
