When Destinies Collide:

When Destinies Collide Shirl Rickman, 2015-08-02 FROM THE OUTSIDE THEY APPEAR TO HAVE IT ALL Waking every morning and pasting a smile on her face Selene Chandler only looks like she has it all parents who love each other popularity but what she actually has is everyone fooled Afraid to let anyone see the real raw her Selene s life is far from perfect and the well constructed wall she s built is so high no one has ever seen past it except her mother the one and only person she s ever felt love from A TWIST OF FATE THAT IGNITES A FIRE The handsome golden boy of Montgomery Texas Drake Thomas only looks like he has everything the Mayor s son Drake is privileged entitled and has never faced the consequences of his actions He s never had to Until one fateful night his carefully constructed world begins to unravel and it takes all the strength he didn t know he had to hold it together A CONNECTION THAT CAN T BE DENIED When fate deals Selene a devastating hand she is forced into a new life in a new town Both alluring and beautiful two strangers lives cross paths in a tangle of feelings impossible for them to ignore Desire turns to a longing neither have ever allowed themselves to feel but will it be enough to tear down their walls and overcome the secrets of their past They re both pretending but in this life you can only pretend for so long

When Destinies Collide Michael D Brooks, 2024-02-05 Before the crew of the Infiltrator became comrades in arms they lived ordinary lives with ordinary hopes and dreams But their lives were turned upside down by war Born on different worlds and brought together by a common cause they become reluctant players in a war that endangers them all And now fate threatens to tear them apart The lives of those they love and everything they hold dear hang in the balance As the war between the Alliance and the Galactic Star Empire rages on Leahcim Markka Cora and their friends find themselves caught in the middle of a struggle that could soon see the demise of the Alliance and the rise of a totalitarian regime ruling the galaxy To protect and preserve their homeworlds they will make difficult choices Will their choices determine whether they become heroes and legends or simply be forgotten And what will the consequences of those choices be Only time will tell All great sagas have a beginning For the crew of the Infiltrator this is theirs

Arcangel I Frank Hill Miranda, 2012-09-10 This was a time Before History Before Man knew of the value or meaning Of God First came the Angels It was their world to rule and reign Almost gods themselves In a world That had almost forgotten the Warrior Angel Known as Nathaniel the fourth Arcangel And all the angels were Warriors Elite the perfect creations of God Whether they had evolved as far as they were able Man will never know In their time Heaven had never known dissent or disobedience until Heaven found that day It was the day that man was created in the image of his Creator as well as in the likeness of Angels Man was born to be Innocent of all that was created before him but lesser than the angels man was granted the protection of his angel brothers as teachers and guides from the moment of man s birth Perhaps it was jealousy that created the events that followed that sided angel against angel until Lucifer the greatest of all angels and once the crest of the Arc himself led the revolt against the decision of their Creator His vow was to destroy the very heart of man s purity thereby proving his lesser worth for no

angel shall bow to the wishes of man Even though Man s spirit was blessed to one day stand alongside the very throne of all creation and beside His only Son The Christ This was the time that shaped Man s fate until the time of Man s birth when he would be delivered by the Love of Christ Himself Fore the infant soul of man had been gifted with the very light essence of the Creator Himself It was a gift not considered when the angels themselves were created eons before However this was a new time and a new beginning Man was blessed to be the inheritor of all creation and considered to be of soul and spirit in rebirth to a new age in a new world and more importantly in anew vision a reflection of the Creator Himself so had begun Born without the powers of complete knowledge as his angel brothers man was still given freedom of will to choose for himself his own destiny and therefore too granted the power to procreate and grow within himself to find his own reasons to be

Quando Fatalis Conflictu Todd Carmel,2007-06 Drewella Hester has lived for over a thousand years She has survived countless wars and the Burning Time and watched the Black Death sweep over Europe Nova Coran has lived for less than a quarter of a century She has lived in fear with the lies and contractions of modern society She has survived one of the worst crimes one human being can do to another Now in modern day New England the destinies of these two extraordinary women are about to collide head on

The Language of Forgotten Gods Danuta Siniarska ,2025-07-02 In a world where ancient magic stirs and forgotten gods whisper through time two souls are bound by destiny and torn apart by their own inner darkness Prince Edwin never wanted a crown Born with an insatiable hunger for magical knowledge he d rather lose himself in dusty tomes than face the throne that awaits him But when the old gods begin to stir his scholarly pursuits become more than mere fascination they become the key to his kingdom s survival From the emerald depths of Eldoria comes Grace a powerful witch whose magic runs as wild as her heart Accompanied by Nyx her shapeshifting puma familiar who serves as protector friend and guide Grace carries secrets that could either save the world or destroy it Her roots run deep into the ancient magic that the forgotten gods once wielded Destiny has chosen them The old gods have bound them But first they must survive each other When their paths collide Edwin and Grace discover they are more than chance encounters they are the instruments of divine will chosen to stand against the creeping darkness known as the Black Plague This isn t merely a physical threat but a void that devours hope love and light itself spreading its corruption through both the inner landscape of the soul and the outer world But the gods demand more than mere cooperation They require transformation Edwin must confront his fear of leadership and responsibility while Grace must face the wild magic that threatens to consume her Together they must navigate not only the growing attraction between them but the trials designed to forge them into the warriors their world desperately needs Love will be their strength Their inner demons will be their greatest enemy As shadow and light wage war across the land Edwin and Grace must battle the darkness within themselves their fears their doubts their deepest wounds For the forgotten gods know that only those who have conquered their own inner void can hope to stand against the Black Plague that seeks to devour everything they hold dear In a tale where magic and romance

intertwine with destiny and self discovery two hearts must choose surrender to the darkness within or fight for the light that can only be found together Perfect for readers who love epic fantasy romance with deep character development ancient magic systems and the timeless struggle between light and darkness both in the world and within the human heart *A TIME FOR MIRACLES* Ricardo Dubois,2012-12-20 When a Cajun father is forced back into the oil fields of South Louisiana after his son is a victim of a hit and run driver He is sent down a path of overlapping circumstances and colliding destinies that no one could have predicted **Destinies Collide** Carolyn Beck,2006-09 *Skeleton God* Eliot Pattison,2017-03-14 In Eliot Pattison s *Skeleton God* Shan Tao Yun now the reluctant constable of a remote Tibetan town has learned to expect the impossible at the roof of the world but nothing has prepared him for his discovery when he investigates a report that a nun has been savagely assaulted by ghosts In an ancient tomb by the old nun lies a gilded saint buried centuries earlier flanked by the remains of a Chinese soldier killed fifty years before and an American man murdered only hours earlier Shan is thrust into a maelstrom of intrigue and contradiction The Tibetans are terrified the notorious Public Security Bureau wants nothing to do with the murders and the army seems determined to just bury the dead again and Shan with them No one wants to pursue the truth except Shan who finds himself in a violent collision between a heartbreaking clandestine effort to reunite refugees from Tibet separated for decades and a covert corruption investigation that reaches to the top levels of the government in Beijing China The terrible secret Shan uncovers changes his town and his life forever **FIREBRAND** Evans Kariuki,2014-07-01 God has the ability to take an ordinary person and in a sequence of extraordinary encounters use him as a firebrand Firebrand is a great read about the life of a man fully submitted to God The story of Evans is our story he uses humor to express real stories and encounters that he had with God any reader would love and enjoy this page turner
