AND DEVELOPMENT EXPLAINED

When I Grow Up Turtles

Charles Lincoln Edwards

When I Grow Up Turtles:

How Turtles Grow Up Linda Bozzo, 2019-07-15 With hard shells that protect them from predators turtles are among the oldest group of reptiles Readers will discover that sea turtles rarely leave the water except to lay eggs in the sand They will read about freshwater turtles that love to soak up the sun on logs or rocks What most people don't know is that the temperature of the turtle's nest determines whether the babies are male or female Interesting facts and stunning photographs are sure to open the door for discussions about habitat predators and various other science related topics

Growing Up with Philosophy Camp Claire Elise Katz, 2020-08-15 Growing up with Philosophy Camp joins the substantial body of literature that contravenes centuries of thinkers in the history of philosophy who stated emphatically that children either could not or should not engage in philosophical discourse This book differs from the rest of the literature in that it reveals the extraordinary impact of philosophy camps for pre college age students as young as 6 years old through high school Often only a week in duration philosophy camp combines the intensity of both summer camp and philosophical dialogue creating a powerful experience for young people who contrary to cynical views of youth today desire intellectual engagement Through the chapters by the staff who facilitate discussions a university dean who supported the program and reflections from campers and parents a recurring theme emerges philosophy camps build authentic friendship intellectual community and an increased awareness of self identity Yet the chapters display remarkable diversity by connecting the experience of philosophy camp to questions in the history of philosophy philosophy's relationship to artistic creation and the therapeutic value of philosophical discourse
