A Wife's Journey to Forgiveness Dr. Nancy C. Winston,2019-09-04 A Wife s Journey to Forgiveness was birthed by the personal experiences of the author while married to her late husband after his struggle with substance abuse It is a glimpse of what is required of us by God to give and to receive forgiveness Deciding to forgive or not to forgive forced her to reach beyond where she could reach and see beyond what she could see and rely totally on God While contemplating forgiveness God took the author on a journey of acquiring knowledge and allowed her to gain a deeper understanding of what forgiveness encompass Also the book speaks of the personal testimony of the author identifying where she stood in moments of her tender pain and suffering As the author journeys through the pitfalls of hurt and disappointment that was prevalent in her marriage she was reminded that God s word is real and His mercies endureth forever Ultimately she realized that forgiveness was not for her husband but the act of being able to forgive was for her Through it all she acquired a more profound understanding of forgiveness This book is equipped with many scriptural references to aid the reader in his her quest of forgiveness Now unto Him that is

able to do exceeding abundantly above all that we ask or think according to the power that worketh in us Ephesians 3 20
