Adventures in Orthodoxy Dwight Longenecker,2003 Watch out Chesterton and C S Lewis Here s a writer as clear and as exciting Christians often find the Creed as tedious as a contract and orthodoxy dull as dirt In these lively pages written for Christians and non Christians alike Dwight Longenecker shows that on the contrary orthodoxy is exciting and the Creed the beginning of a grand mysterious adventure Longenecker demonstrates that like an omate cath edral rich with endless nuances of light and shade the Creed teases with paradoxical possibilities it bursts with magnificent meaning and unexpected eternal insights It sweeps away nihilism challenges indifference and uproots religion grown stale and pedestrian In a word says Longenecker the Creed catapults believers to the brink of mystery and invites them to dwell there in silent wonder and contemplation Here you ll finally encounter the Creed as it really is a striking affirmation that bears us not into theological dead ends but unto a world that never ends not into an obsolete medieval universe closed dark and dying but unto a bright and exciting world that moves in ever increasing spirals of glory a world to which the only natural response is a grateful and hearty Amen! Here is Catholic orthodoxy as heavy as the universe made to dance like the universe Reading this is like coming upon old Augustine dressed up like St Francis We may have another Chesterton coming along here Thomas Howard author *Splendor in the Ordinary* *Sequels* Janet G.
