

# The Whole Night Through

Words & Music by Josh Rouse

## *Verse 1*

To - night, the moon chose an extra light,  
It shined for only us to see,  
And all it takes for you to smile,  
Is lift your eyes and breathe...

## *Chorus 1*

'Cause when you start to doubt  
Some - how, it all works out,  
The lies be - come the truth,  
And what we need right now  
Is some - where to just lay down,  
And dream the whole night through.
