Why Israel:

Why Israel (and its Future) Matters John L. Rosove, 2023-11-04 Presented in the form of letters from a rabbi to his sons Why Israel and its Future Matters argues that young Jews need Israel as a source of pride connection and Jewish renewal and Israel needs them for the liberal values that they can bring to the Zionist enterprise Exploring the roots and the occasionally antisemitic branches of the campaign against Israel Rabbi Rosove demonstrates why it s wrong to characterize Israel as an oppressor state and damn it with blanket condemnations A 15 page appendix features a timeline mini history of Zionism and Israel from the 19th century through October 2023 A must read Isaac Herzog President of Israel This thoughtful and passionate book reminds us that commitment to Israel and to social justice are essential components of a healthy Jewish identity Yossi Klein Halevi author Letters to My Palestinian Neighbor In its call for aspirational Zionism the book is honest and tough about Israel s flaws but optimistic about the country s direction and filled with practical strategies for promoting change This is a no nonsense straight talking work intellectually rigorous but deeply personal Rabbi Eric H Yoffie President Emeritus Union for Reform Judaism A moving love letter to Israel from a rabbinic leader who refuses to give into despair but instead recommits to building a democratic Israel that lives up to the vision of its founders Rabbi Jill Jacobs Executive Director T ruah The Rabbinic Call for Human Rights Rabbi Rosove grapples with modern Israel Jewish identity relations between Israelis and Diaspora Jews and perhaps most significantly whether you can maintain your ethical and moral values while at the same time being supporters of the Jewish state despite its flaws and imperfections It is a book that many of us wish we had written for our own children Daniel Kurtzer Former U S Ambassador to Egypt 1997 2001 and to Israel 2001 2005 **Why Israel Matters** David Darwish, 2025-06-28 Why Israel Matters A Journey Through History Prophecy and the Future For centuries Israel has stood at the crossroads of history faith and destiny More than a nation it is a living narrative woven through ancient promises prophetic visions and modern realities that continue to shape the world today Why Israel Matters explores the profound significance of this small but pivotal land from its biblical foundations and dramatic exiles to the rise of modern Zionism and the ongoing conflicts that define our times This richly researched and deeply insightful book unpacks complex questions including How do ancient covenants inform current events What role does Israel play in biblical prophecy What does Israel s future hold for humanity and global peace Through a careful examination of Scripture history and contemporary challenges this book reveals Israel as a mirror reflecting the universal human experience of brokenness and hope It offers readers a fresh perspective on The enduring power of faith amid conflict and resilience The tension between war and peace exile and restoration The promise of renewal and transformation beyond struggle Whether you are a student of history a seeker of spiritual truth or simply curious about one of the most debated regions in the world Why Israel Matters invites you on a journey of understanding challenging assumptions inspiring hope and illuminating the intersection of past present and future Discover why Israel s story continues to resonate globally and why it remains essential to grasp its

role in shaping the destiny of nations and souls alike

Ten Reasons Why Israel Will Fail Wajid Mahmud Ibn Bashir, 2008-11 The author uses historical and theological information as the basis for the thesis that unless drastic changes are made the entire Middle Eastern region will fall

Why Israel Can't Wait Jerome R. Corsi, 2009-08-18 The new Israeli government headed by Prime Minister Benjamin Netanyahu has repeatedly declared that a primary foreign policy objective is to prevent Iran from obtaining nuclear weapons capability Israel is a one bomb state such that one atomic weapon even a relatively low yield bomb of the type the United States dropped on Hiroshima or Nagasaki in World War II would destroy the modern Jewish state as we know it today The Obama administration has repeatedly declared the intention of following up on the campaign promise to negotiate directly with Iran This represents a fundamental policy shift from the Bush administration's efforts to apply international sanctions through the United Nations in an effort to force Iran to quit enriching uranium Consistently Iran has insisted upon the nation's right as a signatory to the Non Proliferation Treaty to pursue the full fuel cycle code words for Iran's determination to advance uranium enrichment technology in Iran under Iranian control In recent months top Iranian government and military figures have issued warnings that the time is getting short such that Iran might well have the capability to develop and deliver at least one nuclear weapon by the end of 2009 or the beginning of 2010 At the same time the international community has expressed doubt that the Iranian government will make any serious concessions on their atomic program In press conferences and speeches President Obama has openly acknowledged the U S government now believes Iran is pursuing a nuclear weapons program At the end of the Bush administration the international press credibly reported that the Olmert government in Israel was denied fly over rights in Iran in order to launch a military strike on Iran Known as the Sampson Option an Israeli first strike on Iran's nuclear facilities becomes increasingly likely to the extent Israel feels isolated from the world community and concludes there is no chance the Obama administration will ever be able to induce Iran to stop enriching uranium regardless how seriously the president intends to push direct negotiations as a strategy We have already seen two wars launched by Israel against terrorist surrogates financed and supported by Iran the 2006 war against Hezbollah in Lebanon and the 2008 war against Hamas in the Gaza Strip Now a war between Israel and Iran is on the near horizon possibly fated to occur before the end of 2009

Why Israel? A. Samuel Raj, 2003

Why Israel? Keavin Hayden, 2020-09-15 The idea of Israel as a nation is an emotionally charged topic The mere mention of its name can easily set off demonstrations sometimes resulting in violence and even all out war But Why Israel What is it about this tiniest of countries sitting in the midst of massive Middle Eastern nations that constantly seems to keep the world sitting on the edge of its seat How did it get there and for what purpose does it exist These are age old questions this book seeks to answer It is not an attempt to solve any current political religious or social perplexities nor a desire to advocate on behalf of Jews Palestinians or Christians living in the region No what you are about to read is simply an honest attempt to explain from the Bible how and why Israel appears continually in world affairs and conflicts Though never

mentioned specifically in the Bible the Star of David is recognized universally as the insignia for modern Judaism Today it is a symbol of great pride among the Hebrew people but during War World II Adolf Hitler forced Jews to wear it as a badge of shame designed to racially profile their identities The First Zionist Congress in 1897 chose the star as the central emblem for the flag of the future State of Israel Just 51 years later the new nation of Israel was born on May 14 1948 thus establishing the first Jewish state in nearly 2 000 years But where did Israel come from And what is the significance of their reappearance on the world s political and religious stage In his book WHY ISRAEL author Keavin Hayden takes his readers on a spiritual journey through time uncovering the history of this ancient people and demonstrating how the existence of Israel will affect the future of everyone living on our planet

The Methodist Review ,1894 [The Book of Deuteronomy](#) Andrew Harper,1895 The word Deuteronomy derives from the Greek for second law and it s an apt name there s little in this book of scripture that can t be found elsewhere in the first five books of the Bible But what sets Deuteronomy apart is its format the book s contents are arranged as three first person speeches delivered by Moses to the Israelite people as they stand on the doorstep of the Promised Land Moses recounts the people s experience wandering the desert for 40 years and restates the laws and commandments of God But unlike the sprawling complicated stories of the books of Exodus Leviticus and Numbers Deuteronomy is focused and compact Hear O Israel Moses says giving voice to one of the central tenets of Judaism The LORD our God is one LORD And thou shalt love the LORD thy God with all thine heart and with all thy soul and with all thy might
