Strange World: Why People Are Getting Weirder Mark Romel, 2018-03-07 This is a very strange world and getting stranger all the time Actually it s not the world that s getting stranger it s people Their minds are full of the most bizarre ideas People s beliefs are becoming weirder and weirder by the day Everyone believes their own propaganda No one accepts the Truth Everyone makes up their own truth based on their own opinions beliefs experiences and feelings It s illiberal politically incorrect to tell people they are wrong It flies in the face of multiculturalism It seems authoritarian and fascist It seems to contradict free speech since if you tell people they are wrong you are implying you want them to stop speaking And so you do As Pythagoras said Be silent or say something better than silence Don t expect any cure All the indicators are pointing downwards Things will get a hell of a lot worse The strangeness has barely begun *Sermons and Addresses, Question Drawer and Other Proceedings of the Christian Convention Held in Chicago, September 18th to 20th, 1883*, 1884
