Why bother with church? Sam Allberry, 2016-02-12 A short readable book that explains clearly and simply what the church is and why it really matters The church has an image problem It is widely viewed in the world at large as being outdated boring irrelevant and filled with backbiting hypocrites How different that picture is to how the Bible talks about the new family that Jesus has gathered It is a precious bride a sparkling jewel a lifeboat for forgiven sinners that is precious and holy nurturing and warm filled with truth friendship and all embracing forgiving love Sam Allberry understands the collision between these two views and how even as Christian believers we can lose sight of how truly wonderful church is and should be and what a privilege it is to be part of and to serve In this brief accessible but thorough guide to church Sam outlines what church is and why we need it And how when we have got it wrong we can move closer to what a true church should be Part of the Questions Christians Ask series a range of short simple books designed to help Christians understand what God has said about these questions and many more in the Bible

The Prophet Amos Speaks to America Bruce G. Epperly,2022-10-21 The prophet Amos is known for fiery messages directed at the elites of the northern kingdom of Israel in ancient times Can this prophet also speak to us in America today This book looks at the message that Amos proclaimed and applies it to parallel situations in modern America Issues such as the worship of wealth greed privilege and elites living off the labor of others are more similar in these two times and places than one might initially assume How can we respond as people of faith to the evils of our own time Are we responsible to notice and take action Is taking such action part of our faith If we listen to the prophet Amos the answer is a resounding yes God cares about the weak the oppressed and the downtrodden and looks to those with the means to help implement change We are truly asked to take responsibility for the well being of our neighbor Christians would be especially challenged by this book and the message of the prophet Amos because so much of that message was also proclaimed by Jesus who based judgment on how one treated the least rather than those who are great With study and thought questions with each chapter and an abundance of suggestions for practical action this book is a great tool to use in a church wide study combined with a call to action
