**WHY IS THE CHRISTIAN WORLD SO PROSPEROUS?** DR ARUN MAJI, 2025-07-27 WHY IS THE CHRISTIAN WORLD SO PROSPEROUS? Don't ask as a believer. Don't ask as a skeptic. Ask as an outsider with a scientific mind. How did the Christian West, more than any other civilization, birth modern science, democracy, prosperity, and human rights? Join a journey through history, sociology, evolution, and theology with the scalpel of reason and the art of storytelling. Along the way, meet two blood sisters: one a nun, the other a bar dancer strolling Bondi Beach giggling like teenagers. Their contrast may hold the answer to the West's rise. This book argues Christianity gave its people two rare tools: a cage to walk the path and a hammer to break the cage. Explore how cultural Christianity, not just church-going faith, built the foundations of freedom, wealth, and curiosity. It doesn't preach. It doesn't convert. It doesn't judge. It investigates with boldness, balance, and clarity. Learn the difference between cultural Christianity and faithful Christianity. Discover how Christian values shaped the Western mind. Understand the real roots of modern science, prosperity, and personal freedom. Ideal for readers of Christian history, Western civilization, sociology of religion, and philosophy of faith. This is not a religious book; it's a curious outsider's guide to a cultural phenomenon that changed the world.
