William Edward Heygate

Why I Am A Christian:

Why I Am a Christian Ole Hallesby, 1964 **Why I Am a Christian** John Jabez Lanier, 1914 *Why I Am a Christian* John Stott, 2012-11-28 Why Jesus Perhaps you have had the funny feeling that God wants to get your attention Or maybe you re intrigued with what you ve heard about Jesus Or maybe you re simply looking for meaning and direction in your life John Stott has spent a lifetime wrestling with questions about Jesus both personally and in dialogue with skeptics and seekers around the globe Now in *Why I Am a Christian* he provides a compelling persuasive case for considering the Christian faith If you take an honest look at Jesus you will discover that following him gives you the purpose identity and freedom you ve been searching for and far more than you have ever imagined **Why I Am a Christian, Or A Few Reasons for Our Faith** William Edward Heygate, 1876 **Why I Am a Christian** Frank Crane, 1924 *Why I Am a Christian* Norman L. Geisler, Paul K. Hoffman, 2006-12 Now with a new chapter on Why I Am Not a Muslim by an ex Muslim *Why I Am a Christian* is an even more helpful resource in our global times **Why I am a Christian** John Stott, 2021-04-28 In a dark little chapel many years ago a solitary schoolboy went in search of God and later gave his life to Christ It turned out to be the most significant decision he was ever to make If it were not for Christ he reflects his would have been on the scrapheap of wasted and discarded lives Instead his life has been used to lead countless others around the world to that same new life and into a deeper understanding of the One who gave his life that we might live Now John Stott tells his spiritual story and gives the reasons for his first life changing step of faith on the path he has followed since that day It was not so much that he found Christ as that Christ found him Not because the Christian faith is attractive but because it is true Not because he deserved to be saved but because Christ took his sins and ours on himself It is because the answer to the paradox at the heart of our humanness because the key to true freedom and fulfilment are to be found in Jesus Christ alone And he who extends the greatest of all invitations to each one of us waits patiently for our response *Why I Am a Christian* Norman L. Geisler, 2001 Finally the expertise of leading scholars and apologists of today are collected into one resource Each contributor provides a helpful bibliography for additional readings Chapters are arranged in a logical argumentative order to aid in breaking down intellectual obstacles of faith *Why I Am a Christian* Kent Philpott, 2002-01-01 *Why I Am a Christian* Frank Crane, 2013-10 This is a new release of the original 1929 edition [Why I Am a Christian?](#) Fraser Munro, 2015-08-21 This booklet sets out the case for Christianity The author explains why he became a Christian and shows how Christianity is true and effective and Jesus Christ is the only Saviour **Why Am I Still a Christian?** Joseph A. Buijs, 2021-03-12 Why am I a Christian Why is anyone a Christian or remain a Christian These questions can readily occur in our increasingly secular environment A prevalent mind set suggests that there is no point to being Christian that it is a cultural remnant of our upbringing a belief system out of step with enlightened thinking a moral code at odds with contemporary society Does it then still make sense to adhere to a Christian tradition Is it reasonable to be and remain Christian when atheistic criticisms imply

otherwise A philosophical excursion explores these questions under the headings of Tradition Reason and Faith It critically discusses the what and the why of being Christian It differentiates explaining how we may have acquired faith and Christian commitment from justifying why it may nevertheless be reasonable to have faith and to remain Christian A personal narrative shows how approaches to these questions changed over the course of the authors personal life and academic career teaching philosophy Why am I or why is anyone a Christian Because as the author concludes it can be a reasonable choice to adopt and retain a Christian faith commitment

Life Examined Timothy J. Murray, 2022-02-17 How many of us take the time to try to make sense of our lives Or are we just so busy getting on with it we are in danger of missing what life is all about In this book Tim Murray argues that we all seek a reasonable faith an understanding of the world that can make sense of our experience as human beings In a series of short chapters he explores key aspects of our humanity and some of the big questions of life suggesting both that the Christian worldview provides the most plausible explanation of why life is meaningful and that the way of Jesus is the most reliable path to a meaningful life
