**Why I Preach Christ** Johan Maasbach, 1979 *The Reformed Presbyterian and Covenanter*, 1883 *We Preach Christ* T. A. Prickett, 2004-12-08 This is a short and to the point book on pastors and preaching It is designed for the busy bivocational pastor who may not have the time nor desire to read a larger book on preaching Much of the material in this book reflects the material in other books on preaching but this book does contain some ideas that will not be found in any other book on preaching This book suggests that a pastor who desires to see his people grow spiritually and in Biblical understanding would be well served to develop the practice of preaching through the books of the Bible It points out some distinct advantages to the preacher and the congregation in this plan of preaching The last section of the book contains some sermons that were prepared in the manner suggested by the author *The Sermons and Other Practical Works of R. E., ... Besides His Poetical Pieces. To which is Prefixed, a Short Account of the Author's Life and Writings* by J. Fisher. Edited by J. Cooper,2026-01-30 In a post Christian culture marked by shifting societal trends and technological advancements only a stable foundation can sustain the weight of Christian proclamation The Word of This Salvation in the Mouths of Christ s Ministers meets this challenge through homiletical retrieval within the Baptist tradition Following the model of historical ressourcement the study ensures continuity with the Baptist heritage while fostering renewal in contemporary preaching The book centers on Benjamin Keach an early English Particular Baptist whose sermons and writings provide the primary sources for constructing a systematic theology of preaching By situating Keach within his historical context his theology of preaching can provide a theo homiletical framework for contemporary expressions of Baptist preaching This theology comprises six interconnected elements epiphany as its basis expositional as its object experiential as its subject effectual as its means ecclesial as its context and evangelical as its goal Each element is carefully derived from Keach s published works and evaluated against timeless homiletical questions The purpose is to equip Baptist preachers and teachers with a theologically coherent historically grounded framework that bridges past convictions with present practice enabling faithful and transformative proclamation in today s context      **The Disciple of Christ** ,1885      **Herald of Gospel Liberty** Elias Smith,1903      **Herald and Presbyter** ,1895
