WHY PURSUE THE BUDDHA?

This book is a collection of articles by the former *Rinbaō* (head minister) of the Fresno Buddhist Temple, one of the largest Jodo-Shinshu temples in the United States. The Fresno Buddhist Temple has a special relationship to the headquarters temple of the Nishi Hongwanji branch of Jodo-Shinshu in Kyoto, Japan, and is one of the few in the United States to be designated *bersuin*.

In these articles by the Reverend Kimura are to be found the essence of Shinran Shōnin's Jodo-Shinshu teachings applicable to the people of today. They are meaningful to everyone, whether a follower of Jodo-Shinshu or not.

Of special interest are the articles written by the Reverend Kimura while he was interned in Gila Relocation Center during World War II. They clearly reveal the heart of a person dedicated to personal understanding, even within the unfortunate circumstances that he then found himself.

In this book are discussions of the everyday sort of problems that all of us have. It will give you new insights into living a more meaningful life.
