**Why Stay Morally Clean** Packer, Boyd K.,1975      [Why Stay Morally Clean](#) Boyd K. Packer,1973      **Explaining Mormonism** Gregory Steven Dundas,2022-08-04 Explaining Mormonism is a thoughtful and wide ranging discussion of the Mormon belief system Unlike previous surveys of Latter day Saint beliefs Explaining Mormonism not only outlines Mormon doctrines but provides an in depth exploration of some of their most distinctive doctrines regarding the nature of God the purpose of life the value of suffering and even human sexuality The author himself is a self described skeptic both by nature and by nurture who nevertheless converted to Mormonism as a young man He takes the reader on an exciting journey through one of the world s most controversial and perplexing religions For Latter day Saint readers Explaining Mormonism will aid in strengthening their faith through its in depth examination of the compelling logic behind the Mormon world view For the skeptical outsider it situates Mormon beliefs in a broad context of history theology philosophy and social science and demonstrates Mormonism s ability to provide bold and compelling answers to the most fundamental questions of human existence And for the serious student of Mormonism it furnishes insights that only an insider can bring to some of the Latter day Saints most peculiar teachings      **The Routledge Handbook of Mormonism and Gender** Taylor Petrey,Amy Hoyt,2020-04-30 The Routledge Handbook of Mormonism and Gender is an outstanding reference source to this controversial subject area Since its founding in 1830 the Church of Jesus Christ of Latter day Saints has engaged gender in surprising ways LDS practice of polygamy in the nineteenth century both fueled rhetoric of patriarchal rule as well as gave polygamous wives greater autonomy than their monogamous peers The tensions over women s autonomy continued after polygamy was abandoned and defined much of the twentieth century In the 1970s 1990s and 2010s Mormon feminists came into direct confrontation with the male Mormon hierarchy These public clashes produced some reforms but fell short of accomplishing full equality LGBT Mormons have a similar history These movements are part of the larger story of how Mormonism has managed changing gender norms in a global context Comprising over forty chapters by a team of international contributors the Handbook is divided into four parts Methodological issues Historical approaches Social scientific approaches Theological approaches These sections examine central issues debates and problems including agency feminism sexuality and sexual ethics masculinity queer studies plural marriage homosexuality race scripture gender and the priesthood the family sexual violence and identity The Routledge Handbook of Mormonism and Gender is essential reading for students and researchers in religious studies gender studies and women s studies The Handbook will also be very useful for those in related fields such as cultural studies politics anthropology and sociology      **Protecting Your Family in an X-Rated World** Randal A. Wright,1992      **Brigham Young University Studies** ,1996      **A Case for Chastity** Randal A. Wright,1993      **Mormons in the Pacific** Russell T. Clement,1981 This specialized bibliography is a concentrated attempt to list all books pamphlets periodicals personal diaries journals mission histories ephemera and selected periodical articles

concerning Mormons and the Mormon experience in the Pacific The scope of the work includes Polynesia Micronesia and Melanesia or what is generally termed Oceania Materials dealing with Asian cultures and areas are not included Intro

Holman,Kristi A. Young,2007-08-31 For years many have observed the notion that there are a number of distinctive differences in the mate selection process of Latter day Saints LDS and other North Americans Because of the strongly held values espoused by the Church of Jesus Christ of Latter day Saints in regard to marriage within the larger picture of American cultural patterns there are many Mormon sub cultural differences Unique LDS culture patterns have been found to be an expression of a young adult LDS Church member s paradigms of life s meanings This book combines cutting edge scholarly research with items of popular interest analyzing and summarizing data and research already collected Making commitments is vital to LDS life and affects the mate selection process Parental attitudes values and interpretations of accepted codes within the Church have developed into traditions that constitute a complex Mormon lore Therefore the book s approach is a detailed comprehensive report of the author s research that uniquely incorporates folklore data This volume defines the formation of heterosexual relationships culminating in marriage of LDS couples from 1960 to 2005 and compares this pattern to that of other cultural courtships The study will assist future researchers in their analysis of the family and have a direct influence on further exploration of what constitutes successful LDS families
