**Why should families symbolise the church and kingdom of God?** Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ s crucifixion Does the Bible s Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study s conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him *Israel and the Covenants in New Testament Times* may be ordered on line in the UK from Amazon co uk or at good bookshops and internationally from Amazon com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6

like Dr Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement there has been much  
debate about what led to the deaths of Trayvon Martin and Michael Brown among others as well as other systemic challenges  
that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly  
Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural  
issues that must be addressed within black communities there are opportunities for social change based on God s vision for  
human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church  
this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the  
Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change  
cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book
