7 Days to Minimalist Living Elizabeth N. Doyd,2014-08-10 The Most Practical Modern Guide to Living a Minimalist Lifestyle in 7 Days Is your house overflowing with stuff that you don t use or need Clutter can Overwhelm the senses Consume space Drain energy from our surroundings Cause stress and anxiety This book will show you how to lighten up so you can walk into your home and be surrounded only by the things you love Living in a minimalistic way means clearing the clutter from your life to focus on what s truly important Chances are 75% of the things in your home are no benefit to your life at all You ll also find that throwing out a few garbage bags feels even better than therapy Why do you hold onto things Here are just some of the reasons Security but the paradox is that the more we cling the more frustrated and overwhelmed we feel Addiction shopping is a high and the novelty wears off Approval keeping material representations of who we are is one way we show off Identity we identify with what we own so that s why we re upset when something is stolen or broken Obligation to others we please others by keeping gifts and inherited things we don t really like or need By letting go of possessions that no longer serves us we can Let go of old beliefs Open ourselves up to new opportunities and relationships See your home your life for what they really are Need less and do more Cultivate meaningful relationships Be more in tune with yourself in a meditative space Stop shopping as a form of therapy Stop wasting money Restore clarity

FIND WHAT YOU REALLY VALUE When you have inner clutter it expands to your environment So when you live in a clean and soothing environment it can only benefit your inner life Don t let the word minimalism scare you Minimalistic living is not about getting rid of modern advancements and living in the stone age It s only about keeping things that are useful meaningful and add value to your life While it does not place importance on material things and lavish living minimalism is also not about denying yourself of the things you need The guide is divided by different rooms and topics to make it easy and practical to refer to Entryway Kitchen Living Room Bathroom Bedroom Children s Rooms Teen Rooms Garage Basement Attic Garden Office Computer Technology Closets Mail Sentimental Objects Photos Cards Letters Music People This book also helps you Recognize Clutter Declutter clean organize your home room by room Sell your things for profit Shop for a minimalist wardrobe Get your family on board Declutter digital content and computer files Go car free or car lite Surround yourself with people who add value to your life Maintain your space once you ve minimalized Living with less is the first step to a peaceful mind It makes space for the new to come in Buy the book put it into practice and welcome positive change into your life now Earth Tool Kit Environmental Action (Organization), Sam Love, Peter Harnik, Avery Taylor, 1971
