BCIM Economic Cooperation Gurudas Das, C. Joshua Thomas, 2018-09-03 This book examines the strategic and economic logic behind the Bangladesh China India Myanmar BCIM Regional Cooperation According to estimates BCIM covers approximately 9 percent of the world's mass and 40 percent of the world's population spanning across four countries constituting the confluence of East Southeast and South Asia It contributes about 13 percent to world trade but ironically only 5 percent to inter regional trade This volume compares the various approaches to cooperation trade led vs project led geo political vs geo strategic Sino centric vs India led The chapters explore the complex interplay of geo economics and geo politics associated with BCIM sub regional cooperation in general and the BCIM Economic Corridor BCIM EC in particular It points to the current challenges that impede globalisation and economic growth and critically reviews implications for the stakeholders institutional frameworks and the spatial impact of the Corridor especially on the underdeveloped regions The book discusses the geo political geo economic and geo strategic advantages that will accrue to the member countries once the sub regional cooperation becomes fully functional It advocates the adoption of best practices from similar sub regional groupings across the globe This book will be of great interest to scholars and researchers of politics and international relations geo politics strategic studies sub regional cooperation South Asian studies India China relations foreign trade and economics besides those dealing with foreign policy and development cooperation It will especially benefit policymakers development agencies and strategic think tanks

Core Values and Decision-Making for Sustainable Business Arie Hans Verkuil, Uta Milow, Andreas Hinz, Mahmoud Al-Kilani, 2025-01-02 This open access volume discusses the core values and decision making for sustainable business in general and includes research findings and country cases on addressing challenges It emphasizes the importance of adapting products or services to local needs considering cultural differences and sustainability Some of the chapters address questions related to improving sustainability in micro small and medium sized enterprises MSMEs and cover circular economy and responsible consumption Others look at the normative framework conditions for business development sustainability in supply chains the involvement

of stakeholders and their influence on market presence entrepreneurial decision making for sustainability and approaches to teaching international and sustainability oriented entrepreneurship The volume sheds light on the pivotal role MSMEs play in shaping a sustainable future and is written for researchers practitioners and students working on related topics Bringing Finance to Pakistan's Poor Tatiana Nenova,Cecile Thioro Niang,Anjum Ahmad,2009-11-13 Although access to financing in Pakistan is expanding quickly it is two to four times lower than regional benchmarks Half of Pakistani adults mostly women do not engage with the financial system at all and only 14 percent have access to formal services Credit for small and medium size enterprises is rationed by the financial system The formal microfinance sector reaches less than 2 percent of the poor as opposed to more than 25 percent in neighboring countries Yet it is the micro and small businesses along with remittances that help families escape the poverty trap and participate in the economy Bringing Finance to Pakistan s Poor is based on a pioneering and comprehensive survey and dataset that measures the access to financial products by Pakistani households The survey included 10 305 households in all areas of the country excluding the tribal regions The accompanying CD contains summary statistics The authors develop a picture of access to and usage of financial services across the country and across different population groups and they identify policy and regulatory priorities Reform measures in Pakistan have been timely but alone are not enough financial institutions have lagged behind in adopting technology segmenting customer bases diversifying products and simplifying processes and procedures Gender bias and low levels of financial literacy remain barriers as is geographical remoteness However the single strongest cause of low financial access is lack of income not location education or even gender Bringing Finance to Pakistan s Poor will be of great interest to readers working in the areas of business and finance economic policy gender and rural development and microfinance Swaziland Small and Medium Business Directory ,2006 *Subject Guide to Australian Business, Commerce & Law Books* John E.
