

AGAIN AND AGAIN

Again and again, however we know the
landscape of love
and the little churchyard there, with its
sorrowing names,
and the frighteningly silent abyss into which
the others
fall: again and again the two of us walk out
together
under the ancient trees, lie down again and
again
among the flowers, face to face with the sky.

Small Poems Again:

Poetry People Sylvia M. Vardell, 2007-06-30 Dr Sylvia Vardell's new children's poetry reference book provides a comprehensive introduction to more than 60 contemporary young people's poets. Focusing primarily on those who are still actively writing today, the author includes poets appropriate for young children through young adults. Each entry features brief biographical information, highlights selected poetry books, authored showcases, awards won, notes, related Web sites, and provides suggestions for making connections, programming ideas, related books, and activities. The book is ideal for librarians who serve children and young adults, as well as for teachers and others who work with children and young adults. Beginning with Arnold Adoff, the list of poets is both impressive and informative. A sample: Francisco Alarcon, Aileen Fisher, Douglas Florian, Nikki Giovanni, Kristine O'Connell, George Jane Yolen, Eloise Greenfield, John Ciardi, and many more. **Poetry in Literature for Youth** Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers teachers, librarians, parents, and students with an instrumental guide for incorporating all forms of poetry into the curriculum. More than 900 annotated entries provide descriptions of books and other resources, including anthologies, classics, various poetry formats, poetry novels, multicultural poetry, performance poetry, teen poetry, poet biographies, and curriculum connections. Educators who are often unaware of the poetry resources available, particularly for young adults, will welcome this book with open arms. Lists for building a core poetry collection, along with resources for teaching poetry criticism and writing electronic poetry, resources, booktalks, classroom activities, and lesson plans, complement this guide. Author, Geographic, Grade, Subject, and Title indexes are also included. For anyone interested in knowing more about poetry in literature, this is an indispensable guide.
