*Just You & I: An Award-winning film Screenplay.* William Smith, Marilyn Buttigieg, 2022-12-06 Here is the official screenplay book tie-in to the true story drama of a couple from the United Kingdom who share a large age gap. *Just You I* introduces audiences to one of the most endearing taboos to ever hit our screens: Age Gap Relationships. They are still, to this day (2022), frowned upon by society but now are becoming widely accepted. However, when Marilyn met William, the year was 2005, and age gap relationships were NOT ACCEPTED, NOT ONE BIT. From Writers/Directors William Smith and Marilyn Buttigieg comes *Just You I*, an award-winning film about one age gap couple's epic true story of love, sacrifice, and struggle. After being given some devastating news, Marilyn Cooper literally bumps into her destiny as she runs out of the hospital, blinded by her own tears. THEN BAM! She collides with a young man on his way to work, William Simmons, who is stunned at first that the woman he had seen many times before but never dared to talk to was standing in front of him. Before any words could leave his mouth, fate was about to forsake him once more when, without looking back, Marilyn took off running down the street. But fate wasn't done yet; as he watched her running into the distance, he noticed something out of the corner of his eye. He looked down and saw Marilyn's purse lying at his feet. The black purse would set their lives spiraling out of control.

**Writing for Games** Hannah Nicklin, 2022-05-23 Focussing on the independent videogames sector, this book provides readers with a vocabulary to articulate and build their games writing practice, whether studying games or coming to games from another storytelling discipline. *Writing for Games* offers resources for communication, collaboration, reflection, and advocacy, inviting the reader to situate their practice in a centuries-long heritage of storytelling, as well as considering the material affordances of videogames and the practical realities of working in game development processes. Structured into three parts: Theory considers the craft of both games and writing from a theoretical perspective, covering vocabulary for both game and story practices; Case Studies uses three case studies to explore the theory explored in Part 1; The Practical Workbook offers a series of provocations, tools, and exercises that give the reader the means to refine and develop their writing, not just for now but as a part of a life-long practice. *Writing for Games: Theory and Practice* is an approachable and entry-level text for anyone interested in the craft of writing for videogames. Hannah Nicklin is an award-winning narrative and game designer, writer, and academic who has been practising for nearly 15 years.
