Sticky Laurie Winkless, 2021-11-11 You are surrounded by stickiness. With every step you take, air molecules cling to you and slow you down; the effect is harder to ignore in water. When you hit the road, whether powered by pedal or engine, you rely on grip to keep you safe. The Post-it note and glue in your desk drawer. The non-stick pan on your stove. The fingerprints linked to your identity. The rumbling of the Earth deep beneath your feet and the ice that transforms waterways each winter. All of these things are controlled by tiny forces that operate on and between surfaces, with friction playing the leading role. In Sticky, Laurie Winkless explores how friction shapes both the manufactured and natural worlds and describes how our understanding of surface science has given us an ability to manipulate stickiness down to the level of a single atom. But this apparent success doesn't tell the whole story. Each time humanity has pushed the boundaries of science and engineering, we've discovered that friction still has a few surprises up its sleeve. So do we really understand this force? Can we say with certainty that we know how a gecko climbs, what's behind our sense of touch, or why golf balls, boats, and aircraft move as they do? Join Laurie as she seeks out the answers from experts scattered across the globe, uncovering a stack of scientific mysteries along the way. Finalist for the 2023 AAAS Subaru SB F Prize for Excellence in Science Books.

Old Fashioned Children's Games Sharon O'Bryan, 2012-10-16 Whatever happened to the old-fashioned children's games and songs? Old favorites like Kick the Can, Fox and Geese, and Red Rover encouraged camaraderie, physical activity, coordination, and social interaction, as electronic and computer games never can. Family and campfire singalongs helped preserve the folksong and storytelling tradition while instilling in children a sense of community and a confidence in their musical capability. Writer and poet Sharon O'Bryan has gathered a collection of the old games and songs. She brings the

old days back to life with instructions for outdoor games like King of the Mountain car games like Graveyard card games including Old Maid and favorite party games such as Blind Man s Bluff Lyrics and music to singing games and campfire songs are added to this collection to offer old style amusement for every child and occasion
