T&T Clark Handbook of Pneumatology Daniel Castelo, Kenneth M. Loyer, 2020-09-17 This handbook provides an interdisciplinary and diverse reference work to the Holy Spirit Daniel Castelo and Kenneth M Loyer gathered together a wide range of voices that are religiously geographically and ethnically diverse bringing theology into conversation with biblical studies ethics and morality and global Christian studies The T T Clark Handbook of Pneumatology examines the Holy Spirit in a variety of sources such as the Synoptic Gospels the Catholic Epistles the Old Testament and the Hebrew Scriptures It also includes chapters on key concepts in the field such as mediation and sacramentality ecology and creation This broad scope enables readers to appreciate how nuanced the field of Pneumatology is and how it can be relevant for other Christian discourses

A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

The Past, Present, and Future of Theologies of Interreligious Dialogue Terrence Merrigan, John Friday, 2017 A collection of thirteen essays which reflect on the problematic relationship between religious diversity and interreligious dialogue by examining key issues that arise from attempting to do justice to the doctrinal tradition of Christianity
