Spirits Remembered:

The Cathars Malcolm Barber, 2017-10-03 In the second half of the twelfth century the Catholic Church became convinced that dualist heresy was taking root within Christian society and that it was particularly strong in southern France The nature and extent of this heresy and the reaction of the Church to the perceived threat have been the focus of extensive research since the mid nineteenth century research which has become especially intense in the last decade Malcolm Barber's second edition of *The Cathars* which first appeared in 2000 brings readers up to date with the challenges to previous conclusions of recent scholarship At the same time the wider implications of the subject remain relevant most importantly the fundamental questions raised by the belief in the existence of evil the ethical problems presented by the use of coercion to suppress forms of dissent believed to threaten the social and religious fabric and the distortion of the past to underpin present day policies and arguments

The Books of James C. Patch: Utopia Gary D. Henry, 2013-03-25 This is the continuing

story of James C Patch and Jacob Masterson The first book The Books of James C Patch The Barrier chronicled the adventures of Jacob Masterson as he attempted to destroy the evil barrier that was preventing spirits from entering the Utopia on the other side James C Patch was an author living in the early 1900 s when tragedy struck his family when he decided to write down what he found out about death and the afterlife James C Patch was a split spirit A spirit that could split from his body prior to death and was able to cross through the barrier and see through his spirit what was on the other side While in his spirited state he noticed millions of spirits that were not able to penetrate the barrier The majority of these spirits were children who had not had time to collect a lot of memories and those are the spirits that the barrier preyed upon Jacob found out that memories were the key to the rapid penetration of the barrier and they were able to connect with loved ones that were already on the other side This is the third and final installment *Are There No Champions? Yes and No* Dr. Carolyn LaDelle Bennett,2024-07-09 Are there no Champions Yes and No a work in politics public affairs and the press exploring and contrasting acts of aggression patriots for hire characteristic of decorated false champions in the contemporary era and acts of peace and life risking courage of true champions mainly women two centuries earlier

Spiritualism in the American Civil War R. Gregory Lande,2020-07-10 America s Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism s religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism [A Compendium of the Theological Writings of Emanuel Swedenborg](#) Emanuel Swedenborg,Samuel Mills Warren,1885 [Life in Dalecarlia](#) Fredrika Bremer,1845 **The Christian Doctrine of Prayer for the Departed** Frederick George Lee,1872 **The Hibbert Journal** Lawrence Pearsall Jacks,George Dawes Hicks,1916 **Theological Works: The heavenly arcana disclosed ... which are in Genesis ([v. 1-11]) [and] in Exodus ([v. 12-19])** Emanuel Swedenborg,1907 **Address to the clergy, and Skepticism and divine revelation** John Ellis,1886 **The Spirit of Menlo** Earl Reed Silvers,1926 **Dreams of a Spirit-seer** Immanuel Kant,1900 **The Review of Reviews** William Thomas Stead,1902 [The Moore-Noble Debate](#) J.
