Swami Premanand Bharati, 1910 **Sadguru Shashtari Dharmajivandasji Swami** Sadhu Laxminarayandasji Swami, Shree Swaminarayan Gurukul Rajkot Sansthan, Shreeji Maharaj has said in the 19th Vachanamritam of Vadtal Whenever the soul is fortunate to be born as a human being in Bharat Khand incarnations of God or His saints are sure to be found moving on the earth We are extremely fortunate to have been brought up under the auspices of such a saint Reverend Shastriji Maharaj Shri Dharmajivandasji Swami came in our life as a true saint and authorised representative of Almighty Bhagwan Shree Swaminarayan on this sacred soil of Saurashtra He did not come to enjoy normal human life He never chose to appease his physical self No bonding howsoever strong could limit him for sensual pleasure He cultivated various virtues in his life living with the great saints broke the bondings and departed on his own terms This person revolutionized the educational system and kicked off a tradition which we will cherish for years This book which is translation of Gujarati edition describes his life journey which is full of rises and tides An unswerving personality emerges in 41 chapters in a unique way His single mindedness simple living style and saintly sacrifices mesmerize anyone and everyone The book in my view has two parts In

the first part the child Arjan rises from the dust of Taravada village to righteousness and enlightenment in company of brahmnistha saints His detachment from worldly desires right from birth was something very astonishing He was never found to nurture ambition of normal human dreams When a pious soul of Arjan finds company of saints like Rev Balmukunddasji Swami his real self emerges out and gradually leads to sanyas The book nicely depicts the heart rending sufferings he underwent on choosing the path of renunciation The ruthless suppression from his family members couldn't deride the mumukshu Arjan and it couldn't budge the great soul even an inch from his life mission Second part of the book from chapter 10 onwards reveals Arjan Bhagat's parshad total dedication and commitment to the path he chose willfully His early years as a saint after attaining Bhagavati Dixa formal embracement of sanyas demonstrates how intense his detachment was Intense desire to study as a young saint brings forth his attributes as a scholar Firm faith in Sampradaya rules and traditions strict obedience of prevailing norms and complete abstinence in personal life earned him blessings from stalwart saints like sadhu Narayandasji Swami and many many others He embarked upon extensive tourage on foot in rural areas and thereby strengthened the roots of Swaminarayan sect in Gir region which was his notable contribution during those difficult days Fearlessness was his one of the deeply appreciated virtues among fellow as well as senior saints His vision in renovating the old temples in rural and semi urban areas was considered a visionary step Acceptability among the rural illiterate devotees and attaining their support for temple renovations was a praiseworthy task Other equally challenging tasks during headship of Shri Swaminarayan Temple Junagadh speak volumes of his administrative capability and unwavering commitment However the best was yet to come His quick decision taking strength and adventurism on sound faith and pragmatism generated heat as usual among envious colleagues But how long can a glittering diamond be covered just to prevent it from radiating Rev Swamiji was a different stuff altogether He had vision he had strength he had commitment and finally he had the ultimate will to incur wrath and risk from anyone as long as he was convinced with the righteousness of the task on hand So he had to depart for a cause He did it to make a way which has now become a guiding lighthouse for generations to come Birth of Gurukul tradition in modern India was his perhaps one of the greatest contributions not only to the Swaminarayan sect but to the entire world Blending religion and virtuous teaching with the formal education and thereby amalgamating the values of Vidya Sadvidya and Brahmvidya in Gurukul system is a sagacity entirely to his credit Preferring Chaitanya Rosary young boys to Tulsi rosary wooden rosary a decision that changed millions of lives for all round betterment was quite a step not many can contemplate Numerous occasions and plethora of activities in Gurukul with now complete freedom to execute own ideas showed how great he was He never missed the aim and mission of his life and still broke many barriers of hostility to everybody's surprise He triumphed as a saint as a dedicated soldier of the Sampradaya as a social reformer as an innovator and finally as a uncommon human being Never compromising on values and principles was his very nature No allurements howsoever big could budge him from his chosen path Not a single blot on his 87

year long most eventful life was not a mean achievement Finally he left for Akshardham with expression full contentment of life Centuries to come will follow his footsteps My salute to our sculptor the bravo saint Jay Swaminarayan **Spiritual Discourses** Ayatullah Murtadha Mutahhari,2015-11-09 Criteria for humanity spiritual freedom nobility worship and prayer repentance migration and jihad and belief in the unseen This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world Ahlulbayt Organization www shia es is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world and it welcomes your involvement and support Its objectives are numerous yet its main goal is to spread the truth about the Islamic faith in general and the Shi a School of Thought in particular due to the latter being misrepresented misunderstood and its tenets often assaulted by many ignorant folks Muslims and non Muslims Organization s purpose is to facilitate the dissemination of knowledge through a global medium the Internet to locations where such resources are not commonly or easily accessible or are resented resisted and fought In addition For a complete list of our published books please refer to our website www shia es or send us an email to info shia es *Social Work Theories in Context* Karen Healy,2022-07-28 This popular and innovative core text book explores contemporary social work theories and perspectives in a systematic way using an integrated and flexible framework to link context theory and practice approaches Healy expertly provides an applied guide to social work theory across a range of organisational contexts showing social work as a diverse activity that is profoundly shaped by professional purpose public policy and practice locations This edition has been comprehensively updated to reflect developments in the contexts and theorising of social work practices This is ideal reading to support and develop undergraduate and postgraduate students taking modules on Social Work Theories and Methods on qualifying professional programmes Its international breadth and supportive pedagogical features have ensured the book s value to students of social work all over the world New to this edition New sections on post humanism and eco social work Coverage of a broader range of critical approaches including feminist and anti racial social work Additional practice exercises drawn from realistic case studies [Spiritual Discourses, on Twelve Several Passages of Scripture ...](#) Lawrence. ue Charters,1704 [Library of the World's Best Literature, Ancient and Modern: A-Z](#) Charles Dudley Warner,Hamilton Wright Mabie,Lucia Isabella Gilbert Runkle,George Henry Warner,1902 *Records of the English Province of the Society of Jesus* Henry Foley,1878 **The Meher Message** ,1929 *The alabaster box; and other addresses* Joseph Pearce (of Brighton.),1904 [A History of Criticism and Literary Taste in Europe from the Earliest Texts to the Present Day: Modern criticism.
