

Spiro Agnew

Theo Lippman (Jr.)

Spiro Agnew:

Spiro Agnew and the Rise of the Republican Right Justin P. Coffey, 2015-10-26 The narrative of Spiro Agnew's rise and fall has never been fully told. This compelling book tells the story of one of the most controversial high level politicians of recent American history and explains the importance of Agnew's life and career. Too often overlooked by students of modern conservatism, Spiro T. Agnew's political career mirrored the transformation of the Republicans from a big tent party to a narrower, more conservative and ideologically purer one in the 1960s and 1970s. *Spiro Agnew and the Rise of the Republican Right* traces Agnew's life and career and shows how Agnew was a key figure in American politics and documents how a powerful politician who looked to be headed to the presidency ended up having to resign from the office of the vice president in shame and fade into the shadows of political history. This political biography examines how Spiro Agnew's ideological transformation from a moderate liberal to a conservative spearheaded the rise of the Republican Right. Author Justin P. Coffey, PhD, explores the political, social, and racial aspects of Agnew's career and how he both influenced and was himself shaped by each of these parameters. This book offers an unprecedented study of Agnew's legacy in the present day context, providing information suited for any reader interested in history or politics and filling a void in the scholarship of the rise of the conservative movement.

Spiro Agnew's America Theo Lippman (Jr.), 1972 At some point between 1915 and 1920 America became an urban nation and promptly began the process of becoming a suburban one. Spiro Agnew's life has paralleled the development of America in the past fifty odd years. His social, professional, and political development all took place in a homogeneous suburb and political subdivision. Spiro Agnew's famous instinctive early response to urban disorders was the same as that of his suburban constituency and that instinct, if not in fact the response itself, is what assured him of a leading role in national political affairs. Spiro Agnew is the first suburban politician to rise so high. This biography shows how it happened and suggests what it may mean for the nation in the future.

Where He Stands Spiro T. Agnew, 1968 **Agnew** Robert Marsh, 2014-03-03 This is a serious and surprising look at Spiro Agnew, the former Vice President of the United States, written before his bribery and tax evasion scandals were brought to light. What follows is the cover text found on the original edition published in 1971. If Agnew infuriates you, you will be surprised to learn that he is intelligent, loyal, principled, and sincere. If Agnew delights you, you will be surprised to learn that he is inconsistent, manipulative, and susceptible. He is a political man. Contending that to himself Agnew has remained the unexamined man, the author traces his progress from Republican convert in 1956 to Republican Vice President in 1969. Robert Marsh worked for and beside Agnew for several years and had his initial cooperation while writing this book. He had a unique opportunity to interview and tape many of Agnew's advisors, friends, and enemies. What emerges is a Polaroid portrait. Driven neither by malice nor by genius, Agnew is revealed as he is. This is an American success story with implications that go far beyond the contemporary political scene.

Scoundrels J. Michael Martinez, 2023-06-15 American history buffs will savor this detailed yet accessible roundup of

political imbrolios Publishers Weekly Political scandals have become an indelible feature of the American political system since the creation of the republic more than two centuries ago In his previous book *Libertines American Political Sex Scandals from Alexander Hamilton to Donald Trump* Michael Martinez explored why public figures sometimes take extraordinary risks sullyng their good names humiliating their families placing themselves in legal jeopardy and potentially destroying their political careers as they seek to gratify their sexual desires In *Scoundrels* Martinez examines thirteen of the most famous or infamous and not so famous political scandals of other sorts in American history including the Teapot Dome case from the 1920s the Watergate break in and cover up in the 1970s the Iran Contra affair of the 1980s and Russian interference in the 2016 elections Combining riveting storytelling with insights into 200 years of American political corruption Martinez has once again written a book that will enlighten all readers interested in human nature and political history

ABA Journal, 1975-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association [Spiro Agnew, Controversial Vice-President of the Nixon Administration](#) Gerald Kurland, 1972 A biography of the Maryland governor who became Vice President of the United States in the Nixon administration **Addresses and State Papers of Spiro T. Agnew, Governor of Maryland, 1967-1969** Spiro T. Agnew, Maryland. Governor (1967-1969 : Agnew), 1975 [Collected Speeches of Spiro Agnew](#) Spiro T. Agnew, 1971 *The Real Spiro Agnew* Spiro T. Agnew, 1970 **What Makes Spiro Run** Joseph Albright, 1972 [The Oyster Question](#) Christine Keiner, 2010 In *The Oyster Question* Christine Keiner applies perspectives of environmental agricultural political and social history to examine the decline of Maryland's iconic Chesapeake Bay oyster industry Oystermen have held on to traditional ways of life and some continue to use preindustrial methods tonging oysters by hand from small boats Others use more intensive tools and thus it is commonly believed that a lack of regulation enabled oystermen to exploit the bay to the point of ruin But Keiner offers an opposing view in which state officials scientists and oystermen created a regulated commons that sustained tidewater communities for decades Not until the 1980s did a confluence of natural and unnatural disasters weaken the bay's resilience enough to endanger the oyster resource Keiner examines conflicts that pitted scientists in favor of privatization against watermen who used their power in the statehouse to stave off the forces of rural change Her study breaks new ground regarding the evolution of environmental politics at the state rather than the federal level *The Oyster Question* concludes with the impassioned ongoing debate over introducing nonnative oysters to the Chesapeake Bay and how that proposal might affect the struggling watermen and their identity as the last hunter gatherers of the industrialized world

Congressional Record United States. Congress, 1972 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The *Congressional Record* began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the Register of Debates in

Congress 1824 1837 and the Congressional Globe 1833 1873 **On Press** Matthew Pressman,2018-11-05 A study of how mainstream journalism transformed from 1960 to 1980 In the 1960s and 1970s the American press embraced a new way of reporting and selling the news The causes were many the proliferation of television pressure to rectify the news media's dismal treatment of minorities and women accusations of bias from left and right and the migration of affluent subscribers to suburbs As Matthew Pressman's timely history reveals during these tumultuous decades the core values that held the profession together broke apart and the distinctive characteristics of contemporary American journalism emerged Simply reporting the facts was no longer enough In a country facing assassinations a failing war in Vietnam and presidential impeachment reporters recognized a pressing need to interpret and analyze events for their readers Objectivity and impartiality the cornerstones of journalistic principle were not jettisoned but they were reimagined Journalists' adoption of an adversarial relationship with government and big business along with sympathy for the dispossessed gave their reporting a distinctly liberal drift Yet at the same time soft news lifestyle arts entertainment moved to the forefront of editors' concerns as profits took precedence over politics Today the American press stands once again at a precipice Accusations of political bias are more rampant than ever and there are increasing calls from activists customers advertisers and reporters themselves to rethink the values that drive the industry As *On Press* suggests today's controversies the latest iteration of debates that began a half century ago will likely take the press in unforeseen directions and challenge its survival Praise for *On Press* The ultimate story behind all the stories In tracing the evolution of news over the past half century Matthew Pressman has produced an account that's deeply historical and not a little troubling In an age when the press is alternately villain or hero Pressman serves as a kind of medicine man of journalism telling us how we got from there to here and warning us what must change Graydon Carter former editor of *Vanity Fair* Pressman helps us understand how we came to our current troubled media moment with his deeply researched engagingly written history of America's press in the 1960s and 70s This is an important and original contribution and a needed one Margaret Sullivan media columnist for the *Washington Post*

Chicago Tribune ,1972 **Republican Populist** Charles J. Holden,Zach Messitte,Jerald Podair,2019-10-28 Typically a maligned figure in American political history former vice president Spiro T Agnew is often overlooked Although he is largely remembered for his alliterative speeches attacks on the media and East Coast intellectuals and his resignation from office in 1973 in the wake of tax evasion charges Agnew had a significant impact on the modern Republican Party that is underappreciated It is impossible in fact to understand the current internal struggles of the Republican Party without understanding this populist everyman and prototypical middle class striver who was one of the first proponents of what would become the ideology of Donald Trump's GOP Republican Populist examines Agnew's efforts to make the Republican Party representative of the silent majority Under the tutelage of a group of talented speechwriters assigned to Agnew by President Richard Nixon including Pat Buchanan and William Safire Agnew crafted the populist tinged anti establishment

rhetoric that helped turn the Republican Party into a powerful national electoral force that has come to define American politics into the current era A fascinating political portrait of Agnew from his pre vice presidential career through his scandal driven fall from office and beyond this book is a revelatory examination of Agnew s role as one of the founding fathers of the modern Republican Party and of the link between Agnew s people s party and the fraught party of populists and businessmen today

Protecting the Presidential Candidates Mel Ayton,2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president s day is your day one agent said Nobody sees the president the way an agent does

The Age of Impeachment David E. Kyvig,2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use *Los Angeles Times* ,1973

Nixon's Economy Allen J. Matusow,1998 Historian Allen J Matusow now presents the first comprehensive history of Nixon s political economy He depicts a president who disliked the subject but was forced to pay attention or lose his dream of effecting a historic realignment of the political parties in America The study derives its authority from extensive archival research in Nixon s presidential papers including notes by Haldeman and Ehrlichman of crucial conversations in the Oval Office Matusow shows the poverty of contemporary economic theory Nixon s willingness to sacrifice the world economy for

his domestic political purposes and his desperate attempts to find something anything that might work Lurching from one set of policies to another Matusow argues Nixon achieved only illusory successes that ultimately brought on a decade of economic disaster
