Messerschmitt, Stephanie Vandrick, 2014-04-04 This book explicitly addresses ethical dilemmas and issues that post secondary ESL faculty commonly encounter and examines them in the framework of social justice concerns Ethics is defined broadly to include responsibilities and obligations to students inside and outside the

classroom as well to colleagues educational institutions the TESL profession and society as a whole Scenarios in each chapter provide realistic and compelling situations for reflection and discussion The authors then set out the issues raised relate them to the classroom environment and offer opportunities to examine them in a variety of contexts and to consider possible solutions to the dilemmas Issues include testing plagiarism technology social and political issues affecting students and the classroom gift giving curriculum decisions disruptive students institutional constraints academic freedom gender class and power Busy classroom instructors will find this book accessible thought provoking and relevant to their daily work situations It is not intended as a theoretical treatment of ethics and social justice in ESL nor does it propose that ESL faculty teach morals or ethics to students Rather it is designed as a concise practical introduction to ethical practice for both new and experienced ESL faculty in post secondary teaching situations in the United States for others interested in the ESL classroom and as a text for TESL classes and seminars Ethical Issues for ESL Faculty maps new territory in the field ethical issues in TESL particularly as encountered by post secondary classroom teachers are not often discussed in ESL publications makes the complex issues of ethics in the context of social justice accessible to TESL practitioners and includes useful resources such as additional scenarios for discussion an extensive reference list and selected ethics related Web sites
