Texts And Their Transformations:

Tang Transformation Texts Victor H. Mair,2020-10-26 This is the most comprehensive study of pien wen transformation texts i e tales of metamorphosis in any language since the manuscripts were discovered at the beginning of the 20th century in a remote cave complex in northwest China They are the earliest written vernacular narratives in China and are thus extremely important in the history of Chinese language and literature Numerous scholarly controversies have surrounded the study of the texts in the last three quarters of a century this volume seeks to resolve some of them the extent origins and formal characteristics of the texts the meaning of pien wen the identity of the authors who composed these popular narratives and the scribes who copied them the relationship of the texts to oral performance and the reasons for the apparently sudden demise of the genre around the beginning of the Sung dynasty This is a multi disciplinary study that integrates findings from religious literary linguistic sociological and historical materials carried out with intellectual rigor It includes an extensive bibliography of relevant sources in many languages [Eighteen Lectures on Dunhuang](#) Xinjiang Rong,2013-07-01 In [Eighteen Lectures on Dunhuang](#) Rong Xinjiang provides an accessible overview of Dunhuang studies an academic field that emerged following the discovery of a medieval monastic library at the Mogao caves near Dunhuang The manuscripts were hidden in a cave at the beginning of the 11th century and remained unnoticed until 1900 when a Daoist monk accidentally found them and subsequently sold most of them to foreign explorers and scholars The availability of this unprecedented amount of first hand material from China s middle period provided a stimulus for a number of scholarly fields both in China and the West Rong Xinjiang s book provides for the first time in English a convenient summary of the history of Dunhuang studies and its contribution to scholarship [Irish Transformations of Greek Tragedy](#) Marit Meinhold,2025-11-17 This study examines ten Irish versions of Greek tragedy that have been written and produced between 1988 and 2019 Its focus is on the transformations that different formal elements of the Greek plays undergo in conjunction with the foregrounding of specific thematic fields The study identifies a development over time regarding the topics that are foregrounded which can be conceptualized as a trajectory from the individual to the family and ultimately the surrounding community The case studies in the chapters consider tragic mother figures and the relevance of peripeteia in the tragic plot the tragic family of Antigone and Creon and the importance of dialogue in various types of renegotiations within the family and lastly transformations of the Greek chorus to achieve a re examination of the relationship between community and individual The different chapters reveal different ways in which Greek tragedy has been creatively used to highlight existing tensions in Irish society seriously engage with the suffering of different groups in society and overall to react to and participate in processes of social and cultural change [Paracelsus: The Man and his Reputation, his Ideas and their Transformation](#) Ole P. Grell,2021-12-06 Despite his fame Paracelsus remains an illusive character As this volume points out it is somewhat of a paradox that the fascination with Paracelsus and his ideas has remained so widespread when it is born in

mind that it is far from clear what exactly he contributed to medicine and natural philosophy But perhaps it is exactly this enigma which through the ages has made Paracelsus so attractive to such a variety of people who all want to claim him as an advocate for their particular ideas The first section of this book deals with the historiography surrounding Paracelsus and Paracelsianism and points to the need of reclaiming the man and his ideas in their proper historical context A further two sections are concerned with the different religious social and political implications of Paracelsianism and its medical and natural philosophical significance respectively **"The" Texts of Tâoism**, 1891 **Engaging Adolescents in Reading**
