**Miracles: An Exercise in Comparative Philosophy of Religion** Karen R. Zwier,David L. Weddle,Timothy D. Knepper,2022-11-03 This volume provides a comparative philosophical investigation into a particular concept from a variety of angles in this case the concept of miracle The text covers deeply philosophical questions around the miracle with a multiplicity of answers Each chapter brings its own focus to this multifaceted effort The volume rejects the primarily western focus that typically dominates philosophy of religion and is filled with particular examples of miracle narratives community responses and polemical scenarios across widely varying religious contexts and historical periods Some of these examples defy religious categorization and some papers challenge the applicability of the concept miracle which is of western and monotheistic origin By examining miracles thru a wide comparative context this text presents a range of descriptive content and analysis with attention to the audience to the subjective experiences being communicated and to the flavor of the narratives that come to surround miracles This book appeals to students and researchers working in philosophy of religion and science as well those in comparative religion It represents in written form some of the perspectives and dialogue achieved in The Comparison Project s 2017 2019 lecture series on miracles The Comparison Project is an enterprise in comparing a variety of religious voices allowing them to stand in dialogue

**The Concept of Rudra-Siva Through the Ages** Mahadev Chakravarti,1986-01-01 The present book throws new light on the gradual development of the concept of Rudra Siva in his animal phallic and human forms since the days of the Harappa Civilization It examines how Siva the composite Aryan non Aryan Divinity was not only admitted but was ultimately crowned with an exalted position in the Brahmanical pantheon how the bull once identified with the deity was regulated to the position of a vahana how phallism was related to Saivism and also how Siva in his different forms was represented in early Indian Art and the Art of Further India The wide range and depth of the author s research fills a vital gap in the subject and his treatment of the entire subject is unique This methodical study on Siva also contains an exhaustive bibliography
