**CL Gary**

## **Thanatos Syndrome:**

*The Thanatos Syndrome* Walker Percy, 2011-03-29 Percy's stirring sequel to *Love in the Ruins* follows Tom More's redemptive mission to cure the mysterious ailment afflicting the residents of his hometown. Dr. Tom More returns to his parish in Louisiana determined to live a simpler life. Fresh out of prison after getting caught selling uppers to truck drivers, he wants nothing more than to live a small life. But when everyone in town begins acting strangely from losing their sexual inhibitions to speaking only in blunt truncated sentences, More, with help from his cousin Lucy Lipscomb, takes it upon himself to reveal what and who is responsible. Their investigation leads them to the highest seats of power where they discover that a government conspiracy is poised to rob its citizens of their selves, their free will, and ultimately their humanity. *The Thanatos Syndrome* Walker Percy, 1989. En yngre amerikansk psykiater kommer efter to rusnarkotika hjem til sin lille sydstatsby og opdager at noget er helt galt. Folk er forandrede. Bogen skildrer hans opklaring af hvordan og hvorfor.

*Desire, Violence & Divinity in Modern Southern Fiction* Gary M. Ciuba, 2007. In this study, Gary M. Ciuba examines how four of the South's most probing writers of twentieth-century fiction—Katherine Anne Porter, Flannery O'Connor, Cormac McCarthy, and Walker Percy—expose the roots of violence in southern culture. Ciuba draws on the paradigm of mimetic violence developed by cultural and literary critic René Girard, who maintains that individual human nature is shaped by the desire to imitate a model. **BOOK JACKET** *The Fiction of Walker Percy* John Edward Hardy, 1987. Hardy's study is concerned only with Percy's fiction rather than his life, thought, or his essays. He covers all six of Percy's novels from *The Moviegoer* (1961) to *The Thanatos Syndrome* (1987) and treats them only as fiction rather than as philosophical disquisitions or religious treatises. Hardy presents a close reading of each novel, focusing on the internal artistic consistency of the works in regard to their subgenres, adopted conventions, narrative focus, and reader-text interactions. He reveals Percy as a judicious and knowledgeable practitioner in control of his medium. ISBN 0 252 01387 5 24 95 **Walker Percy** Gary M. Ciuba, 2010-09-01. In *Walker Percy: Books of Revelations*, Gary M. Ciuba examines how Percy's apocalyptic vision inspires the structure, themes, and strategies of his fiction. This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design, one of the first studies to approach Percy's work from this perspective. Ciuba considers Percy's six published novels: *The Moviegoer*, *The Last Gentleman*, *Love in the Ruins*, *Lancelot*, *The Second Coming*, and *The Thanatos Syndrome*, and also offers the first extended critical analysis of his unpublished work, *The Gramercy Winner*. Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America, Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology. This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonist's internal worldviews. According to Ciuba, Percy does more than offer direly comic warnings about the end of the world; he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers. *Reading Walker Percy's Novels* Jessica

Hooten Wilson, 2018-05-18 Walker Percy 1916-1990 considered novels the strongest tool with which to popularize great ideas among a broad audience and more than half a century after they first appeared in print his works of fiction continue to fascinate contemporary readers. Despite their lasting appeal however Percy's engaging narratives also contain intellectual elements that demand further explication. Philosophical themes including existentialism, language acquisition theory, and modern Catholic theology provide a deeper layer of meaning in Percy's writings. Jessica Hooten Wilson's *Reading Walker Percy's Novels* serves as a companion guide for readers who enjoy Percy's novels but may be less familiar with the works of Sartre, Camus, Kierkegaard, and Dante. In addition to clarifying Percy's philosophies, Wilson highlights allusions to other writers within his narratives, addresses historical and political contexts, and provides insight into the creation and reception of *The Moviegoer*, *The Last Gentleman*, *Love in the Ruins*, *Lancelot*, *The Second Coming*, and *The Thanatos Syndrome*. An introduction covers aspects of Percy's biography that influenced his writing, including his deep southern roots, faith, and search for meaning in life. An appendix offers an explanation of Percy's satirical parody *Lost in the Cosmos: The Last Self-Help Book*. Written in an accessible and conversational style, this primer will appeal to everyone who appreciates the nuances of Walker Percy's fiction.

*Masterplots II: Walker Percy's Sacramental Landscapes* Allen Pridgen, 2000. Sometimes oblivious to the sacramental signs of life, sometimes clear-eyed, both Will at the end of *The Second Coming* and Tom at the end of *The Thanatos Syndrome* finally assent to the wondrous possibilities these signs signify. They begin to believe in the possibilities for a life that waits for them on the horizon and down the road. **BOOK JACKET**

*Notes on Mississippi Writers*, 1987

**Encyclopedia of Apocalyptic Literature** Valerie P. Zimbaro, 1996. This text, which is by no means inclusive of all of the world's apocalyptic writings, is intended both as an introduction to this timely literary genre as well as a tribute to the world's major authors whose prose and poetry reflect their respective hopes, dreams, and fears for the world's last days. Although the book is intended to address apocalyptic literature across cultures, there is a significant dearth of material related to works by writers from Eastern cultures. This omission is an obvious one inasmuch as the concept of an apocalypse or a singular cataclysmic ending is essentially antithetical to most cyclical Eastern philosophies. In an attempt to analyze such apocalyptic themes of either non-Western primitive or pre-literate cultures, a list of entries pertaining to significant apocalyptic myths, legends, and scriptures has been provided in appendix D.

*The Postmodern Syndrome* Daniel E. Kaczynski, 1995

**The New Orleans Review**, 1989

*Morphologies of Faith* Mary Gerhart, Anthony C. Yu, 1990

**The North Dakota Quarterly**, 1996

**Apocalyptic Patterns in Twentieth-century Fiction** David J. Leigh, 2008. Leigh succeeds in providing his readers with a general survey of twentieth-century novels that retrieve the thematic and formal elements of premodern apocalyptic literature.

*Walker Percy* Jan Nordby Gretlund, Karl-Heinz Westarp, 1991

**Magill's Guide to Science Fiction and Fantasy Literature: Lest darkness fall**, 1996. These four volumes cover 791 books or series; 238 of them published during the 1980s and 1990s; the entries are 1,000 words long for single books and 1

500 for series with a one sentence summary beginning each entry followed by bibliographical information Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy a list of major award winners a genre index Booklist

**The Southern Quarterly** ,1996      **Understanding Walker Percy** Linda Whitney Hobson,1988 Addresses a number of crucial issues including the manner in which employers unions formulate strategies the specific tactics utilized by both sides the impact of strategies tactics on union organizing effectiveness      **The University of Dayton Review** University of Dayton,1993
