dramatic story of the final eight months of battle from multiple perspectives the commanders in their tents making plans for total victory as well as the ordinary foot soldiers and cavalrymen who carried out their orders until the last alarm sounded Through Sherman's eyes we gain insight into the mind of the general who vowed to make Georgia howl until it surrendered In Johnston we see a man agonizing over the limits of his army's power and accepting the burden of leading the last desperate effort to ensure the survival of the Confederacy The Civil War did not end quietly It climaxed in a storm of fury that lay waste to everything in its path The *Fateful Lightning* brings to life those final brutal bloody months of fighting with you are there immediacy grounded in the meticulous research that readers have come to expect from Jeff Shaara Praise for The *Fateful Lightning* Powerful and emotional highly recommended Historical Novels Review Outstanding Shaara combines his extensive knowledge of military history with his consummate skill as a storyteller Booklist Readers looking for an absorbing novel will be well rewarded The *Clarion Ledger* A great accomplishment and a more than fitting conclusion to Shaara's work on the Civil War Bookreporter *That Fateful Lightning* Celia D. Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle On Harrow Hill John Verdon,2022-09-27
