That Man Jason:

Jason's Destiny SG Morrison,2010-03-17 Helplessly tied up and leaned against the alley wall eight year old Jason watches as his older brother is systematically beaten to death and in anguish he cries out for mercy when suddenly something strange and unexplainable happens and young Jason is changed forever and as the alien watches from the shadows he fears what they created today will one day seek his revenge on them all Jason's Destiny is a story about a journey The journey of a little boy who at the age of five is forced to flee the only home he ever knew to the streets of Rim Town There he and Cole his older brother would start their new lives But unknown by them they were marked boys Little did they suspect that everything they thought they knew was a lie carefully orchestrated by the most powerful beings in the universe the Ancients They were so powerful they could destroy planets and stars with the power of their minds Nothing and no one could stand before them but something was stirring Something even they feared and Jason was their only hope Jason was their creation It had taken them over three thousand years of trial and error The genes of the greatest and most powerful Ancients flowed in Jason's veins but also something else simply referred to as the X factor Jason is compelled to seek them out in order to learn the secret of their power and after many failed encounters he finally finds the one and now the real journey begins A journey that will take Jason to the ends of the universe across dimensions and through time itself Along the way he would find friendship and love but most importantly he would find himself and why that would mean so much to so many Dead in the Water Donna Collins,2020-02-18 Jason Wade is an East End boxer turned Police Crime Scene Investigator He likes his job has a good circle of friends and is never short of female admirers But although on the outside his life looks an enviable one behind closed doors he has more than one secret hidden away When a female body is dragged from the Thames the skeletons from Jason's past quickly begin to resurface and his near perfect life slowly begins to spiral out of control But when a second victim is pulled from the Thames with amnesia Jason questions if the two accidents are related to each other With none of his colleagues believing there is a link between the two incidences and ordered to stay away from the case by his boss will investigating these seemingly unrelated cases lead Jason to his own downfall and how many of his friends will he take with him **The Viceroy's of God** Don Peter,2020-11-25 Ancient prophets had the key to benefit humanity Jason Bryden the archeologist wanted to use the key to unite Christian churches in the United States Jason's employer the Emperor Constantine Foundation interrupted Jason's research condemning the trajectory of his work Jason's superior Dr Adam Clark believed Jason's mission is going nowhere In the meantime Jason discovers a mentor was killed in a mysterious accident and another close friend soon met a distraught end Things went wrong and a former ISIS assassin aims to take Jason down A trail of death soon followed Jason as he seeks the key The Viceroy's of God is a story unrestricted by space and time From the ancient world to faraway places Jason sought the wisdom of how to use the key The Viceroy's of God are stories within the story that everyone knows but yet never told before The Good Man's Son Alexander Rebelle,2015-06 John Dumont is the

first independent presidential candidate to ever have a commanding lead in the polls by mid October of an election year With nearly sixty percent of the voting population behind him he arrives in Boston both for the final presidential debate of the campaign and to visit his son But as the actions and the choices of his son abruptly become the focus of attention across the country John finds his campaign in the midst of a crisis and his lead in the polls begins to shrink more and more with each passing day In order to win the election John will have to take control of the situation but can he do it without damaging the bond that he shares with his family John must choose to either interfere with the delicate balance in the newfound happiness of his son s life or do something that would seem impossible convince the public to accept his son just as he has John is a father that would sacrifice anything he has for his son but will it cost him the election

Through Deception Elvis Ali Bautista,2019-04-22 Through Deception focuses on two main characters that are battling against a war of their own There s Isaac someone who leads a group of survivors who are either on the run from those called the Rebellion or fighting against them to save their own lives Then there s Izoah a god whom we know very little of as we see throughout the story that we never see this god s true intentions Is he one of evil or one of good
