The Broken Sword Poul Anderson, 1977-02-12 *The Broken Sword* Poul Anderson, Boris Vallejo, 1983 *The Broken Sword* Molly Cochran, Warren Murphy, 1998-10-15 Of this long awaited sequel to *The Forever King* Publishers Weekly says this narrative interweaves present day events and flashbacks to Camelot recasting many Arthurian elements into a mythology that appears new while managing to employ all the classic touchstones With its high minded themes and echoes of the metaphysical thrillers of Charles Williams this satisfying sequel lives up to its popular predecessor *The Broken Sword* Poul Anderson, 2002 Thor has broken the sword Tyrfing so that it cannot strike at the roots of Yggdrasil the tree that binds together earth heaven and hell But now the mighty sword is needed again to save the elves in their war against the trolls and only Scafloc a human child kidnapped and raised by the elves can hope to persuade Bolverk the ice giant to make Tyrfing whole again But Scafloc must also confront his shadow self Valgard the changeling who has taken his place in the world of men

The Broken Sword Poul Anderson, 2014-12-30 This acclaimed fantasy classic of men elves and gods is at once breathtakingly exciting and heartbreakingly tragic Published the same year as *The Fellowship of the Ring* Poul Anderson's novel *The Broken Sword* draws on similar Scandinavian and Anglo Saxon sources In his greed for land and power Orm the Strong slays the family of a Saxon witch and for his sins the Northman must pay with his newborn son Stolen by elves and replaced by a changeling Scafloc is raised to manhood unaware of his true heritage and treasured for his ability to handle the iron that the elven dare not touch Meanwhile the being who supplanted him as Orm's son grows up angry and embittered by the humanity he has been denied A pawn in a witch's vengeance the creature Valgard will never know love and consumed by rage he will commit a murderous act of unspeakable vileness It is their destiny to finally meet on the field of battle the man elf and his dark twin the monster when the long simmering war between elves and trolls finally erupts with a devastating fury And only the mighty sword Tyrfing broken by Thor and presented to Scafloc in infancy can turn the tide in a terrible clashing of faerie folk that will ultimately determine the fate of the old gods Along with such notables as Isaac Asimov and Ray Bradbury multiple Hugo and Nebula Award winner Poul Anderson is considered one of the masters of speculative fiction This edition contains the author's original text

Worthington,2015-07-11 Excerpt from *The Broken Sword or a Pictorial Page in Reconstruction* I have considered the oppressions that are done under the sun and on the side of the oppressor there is

power In the enforcement of the policy of Reconstruction in the South the evidences were from day to day becoming so cumulative and decisive that nothing but the discipline of an enraged party coupled with the spoils principle prevented the whole mass of the community from a universal expression of its desire to have it abandoned Reasoning men everywhere felt that it must continue to multiply its mischiefs But said its authors treason must be made odious and the late insurrectionary States must feel that there is a higher law than that promulgated by their ordinances of secession The Spanish inquisition now the abhorrence of all enlightened minds was long sustained in many centuries by the tyrants plea of necessity In the burning of a thousand heretics the religious zealot saw the hand of God in the destruction of a thousand sorcerers the fanatic discerned the commonweal of the people so in the whipcords with which the people of the South were so mercilessly scourged there was found an antiseptic for the gangrenous wounds indicted by the civil war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
