## **The Brothers:**

*The Brothers Karamazov* Jacques Copeau, Jean Croué, 1927      “*VOCE MEA AD DOMINUM CLAMAVI*”: FRANCIS, THE BROTHERS, AND THE ANGUISH OF SOLITUDE Noel Muscat, OFM, Our aim in this work will be that of discovering the true nature of Francis inner anguish the solitude he was bound to suffer at seeing the brothers taking a different course from the one he cherished At the same time however we shall try to understand what the brothers also were feeling regarding Francis and why they also were convinced that the way forward was bound to be slightly or radically different from the original proposal of the founder Our aim is that of taking into consideration what the sources have to say regarding the last years and moments of Francis life and present them within the context of events unfolding in the Order which were already pointers at future choices and directions that the Order would take in the decades immediately following upon the death of the founder

Eisenman, 1998-03-01 A passionate quest for the historical James refigures Christian origins can be enjoyed as a thrilling essay in historical detection The Guardian James was a vegetarian wore only linen clothing bathed daily at dawn in cold water and was a life long Nazirite In this profound and provocative work of scholarly detection eminent biblical scholar Robert Eisenman introduces a startling theory about the identity of James the brother of Jesus who was almost entirely marginalized in the New Testament Drawing on long overlooked early Church texts and the Dead Sea Scrolls Eisenman reveals in this groundbreaking exploration that James not Peter was the real successor to the movement we now call Christianity In an argument with enormous implications Eisenman identifies Paul as deeply compromised by Roman contacts James is presented as not simply the leader of Christianity of his day but the popular Jewish leader of his time whose death triggered the Uprising against Rome a fact that creative rewriting of early Church documents has obscured Eisenman reveals that characters such as Judas Iscariot and the Apostle James did not exist as such In delineating the deliberate falsifications in New Testament documents Eisenman shows how as James was written out anti Semitism was written in By rescuing James from the oblivion into which he was cast the final conclusion of James the Brother of Jesus is in the words of The Jerusalem Post apocalyptic who and whatever James was so was Jesus      **The Brothers K** David James Duncan, 1993      **The Juvenile Instructor** , 1899      *The Nandi: Their Language and Folk-lore* Alfred Claud Hollis, 1909      **The Owl** , 1901      **The Black Diamond** , 1927      *The Annotated Revised Statutes of the State of Ohio* Ohio, 1897      **Accountant Student and Accountants' Journal** , 1928      [The Railroad Telegrapher](#) , 1914      [The Independent](#) , 1899      [Ex Bibliotheca](#) Hugh Frederick Hornby Liverpool (England).
