**The Buffalo Soldiers** Cliff Mills, 2015-09 The African American troops known as the Buffalo Soldiers helped change the American West From 1867 to 1891 they fought over a hundred battles in the Indian Wars They risked their lives in other ways including enforcing the law guarding wagon trains exploring unknown territory and building built forts roads and telegraph lines They helped win the famous Battle of San Juan Heights in Cuba perhaps saving the life of future president Theodore Roosevelt Everywhere they went they faced racism and bigotry They defended themselves but almost never over reacted to the threats against them They showed courage not only in what they did but what they didn't do For many years they were forgotten heroes No longer Their history is America's history

second printing of the Index incorporating a Supplement of additions corrections a third printing in 1983 included a Supplementary Index to Place Names With the Society s permission we have incorporated the final index edition of 1983 with our reprint of the Gazetteer making it the most complete the most useful edition ever published *Hobbies; the magazine of the Buffalo Museum of Science* ,1938 **Decisions and Orders of the National Labor Relations Board** United States.
