The Called Vessel:

The Called Vessel Melvin Lightford, 2004-04-01 I speak about the obstacles of life and how you can overcome adversities in your life and how faith has made me a winner in that I m the head and not the tail Ordeals and tribulations of life we must live through them to grow and move on in our lives which is a journey Everybody must go through some trouble in their lives but don t let it hold you back from accomplishing the desires that are in your heart Achieve and grow and may you climb to higher heights because you adapt to the things that were there and you overcome Furthermore go for the gold and call out to God for favor and substance Never let anyone keep you from achieving what you have wanted out of life First prize should be your goal to achieve in every capacity possible Jesus Christ without doubt is the most influential person in my life Time is truly what you make it to be You can waste time or you can be constructive and productive in your life You too will see as you get older why what when and how you were able to pursue the works If I can give you any advice stay positive and deal with life situations and circumstances as well as learn from them
