

The Devils Crossroads

Christopher Putney

The Devils Crossroads:

Beyond the Crossroads Adam Gussow, 2017-09-05 The devil is the most charismatic and important figure in the blues tradition He is not just the music's namesake the devil's music but a shadowy presence who haunts an imagined Mississippi crossroads where it is claimed Delta bluesman Robert Johnson traded away his soul in exchange for extraordinary prowess on the guitar Yet as scholar and musician Adam Gussow argues there is much more to the story of the devil and the blues than these clichéd understandings In this groundbreaking study Gussow takes the full measure of the devil's presence Working from original transcriptions of more than 125 recordings released during the past ninety years Gussow explores the varied uses to which black southern blues people have put this trouble sowing love wrecking but also empowering figure The book culminates with a bold reinterpretation of Johnson's music and a provocative investigation of the way in which the citizens of Clarksdale Mississippi managed to rebrand a commercial hub as the crossroads in 1999 claiming Johnson and the devil as their own

The Devil's Crossroads Kathryn Pippin, 2001-03 The Devil's Crossroads has a cast of characters as varied and wickedly exciting as Agatha Christie has ever created It is an elaborate scandal mongering novel filled with strange and bloody history during a time when greed and violence reigned along the Delmarva Peninsula where slavery was vogue The Devil's Crossroads provides enough thrills to satisfy readers who enjoy accounts of historical stories that are unusual and exciting Charles L Blockson Curator Charles L Blockson Afro American Collection Temple University

What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited's Tales Rumors and Gossip Exploring Contemporary Folk Literature in Grades 7-12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations What Happens Next Contemporary Urban Legends and Popular Culture traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV The author examines if the popularity of contemporary legends in the media has changed the form role and integrity of familiar legends In addition to revisiting some of the legends highlighted in her first book de Vos shares new tales in circulation which she sees as a direct result of technological advancements

Moments in History II Mark R. Brewer, 2022-03-16 Moments in History II is similar in format to Moments in History but each book stands alone in that one does not have to read one in order to enjoy the other They each contain chapters that examine a historical event and then look at the life of the individual at the center of that event These people are sometimes famous sometimes obscure sometimes heroic and sometimes scoundrels but they are always interesting
