

CPV'S LEADERSHIP A DECISIVE FACTOR IN VICTORY IN AUGUST REVOLUTION IN 1945

The Communist Party of Vietnam (CPV) has properly devised the platform and the revolutionary path for the country. In different periods, depending on the situation, the Party adjusted its policies, guidelines, and tasks in a timely manner while remaining consistent in terms of revolutionary goals and methods.

The Party attaches great importance to the development of revolutionary forces among the masses. In the early days of its founding, from 1930 to 1945, the Party gradually prepared its forces, built and developed revolutionary strength, and led the working class and people through revolutionary movements in 1930-1931, 1936-1939, and 1939-1945.

The Party chooses and properly combines methods of mass communication. It has motivated and educated millions of people in widespread political struggle, actively called on the middle class to side with the revolution, and made the most of domestic and international revolutionary forces to serve the revolution with appropriate methods.

The Party anticipated and seized the right opportunities to act, especially prior to major turning points. It gathered and united the entire nation's forces in the Viet Minh Front, forming synergy from the great unity bloc of the people standing up to fight for power to lie in the hands of the people, and established the first people's democracy in Southeast Asia.

The Party and President Ho Chi Minh admirably practiced Marxist ideas on the science of revolution, and applied and creatively translated them into the reality of the Vietnamese revolution to seize power in an armed uprising.
