The Abingdon Bible Commentary. Edited by F.C. Eiselen ... Edwin Lewis ... and David G. Downey Frederick Carl EISELEN, David George DOWNEY, Edwin LEWIS (Professor in Drew Theological Seminary.), 1929 **Eiselen-Abingdon Bible Commentary Regular** David George Downey, 1941-03 **Abingdon New Testament Commentaries: Mark** Prof. C. Clifton Black, 2011-09-01 Mark's genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God's good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus' closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable's interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self-serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God's Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction *Abingdon Old Testament Commentaries: Ruth* Prof. Judy Fentress-Williams, 2012-06-01 From the Introduction Described by Goethe as the most charming little whole of antiquity Ruth has long been recognized for its literary quality This beautifully composed narrative continues to attract readers across generations and boundaries of gender class and ethnicity In fact the beauty of the book often distracts from the practical nature of the narrative For all of its appeal Ruth is after all a story about family and survival The marriage between Ruth and Boaz is a levirate marriage The goal of this practice is to ensure the continuation and stability of the family line Thus this charming little whole has as its subject preservation of life in the face of death and upholding memory to ward off the loss of identity This story of survival is short it consists of four chapters with elements of loss and recovery famine and harvest barrenness and fruitfulness life and death These elements afford the book a broad appeal as it speaks to various stages and seasons of life all the while upholding the power of faithfulness against an ever-changing backdrop Named after one of the major characters the book of Ruth tells the story of Naomi of Bethlehem and her family in the days when the judges ruled So much of what happens in Ruth happens where no one can see Ruth binds herself to Naomi in the in-between place of Moab and Judah No one is there to witness it Similarly Ruth asks Boaz for redemption in the middle of the night when we presume everyone else is asleep These events allow for the inclusion of Ruth as Boaz's

people first as a gleaner and then as a wife The pattern of what happens away from our observation and then bursts forth where we can see it draws on the images of planting and harvest conception and birth On a theological level it suggests that even in the famine times God is planting seed preparing for the next harvest even when we cannot see it We must assume then that whatever we know or recognize about the work of God is only a small piece of the larger whole We cannot know it all

In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance [Abingdon Old Testament Commentaries: Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi](#) Dr. Julia M. O'Brien, 2011-09-01
