The Bridge Club R. Michael Kelley,Krista Noel Kelley,2002-04 The Bridge Club chronicles the story of an inseparable group of friends who discover their most beloved teacher and basketball coach is gay More than that the novel centers around a small American town that is bordered by an isolating river but which has no real center a sadly common consequence of urban sprawl This river that borders on the east mystically seems to prevent any summer storm from crossing and engulfing our fictional town In a tragic parallel our characters hold the false assumption that all other threats of a constantly changing world can also be kept at bay However one night in the spring of their senior year this group of friends is caught in a terrifying thunderstorm from the east and even more shattering events that reach their climax just before the river barrier breaks Their story is told by one of them however his or her identity is not revealed until the story s epilogue So how can a father and daughter possibly write a book together Krista as a student and Michael as a teacher struggled with the reality of their fictional Spring Brook Although their experiences were separated by fifteen years their novel of an idealistic class president and her loyal friend of a jealous chairwoman and a naive young teacher of an ambitious principal and his best friend s son is the combination of these stories that began over a decade and a half ago *The City Wives' Bridge Club* Pamela Youngblood,2013-12-02 The city wives bridge club is a story of eight city wives and mothers who meet at their daughters exclusive private school in London Two of the city wives create a selective bridge club with the strictest criteria for entry only the wives of the most influential men are accepted They appear to live the perfect lives but appearances can be deceiving The secrets they keep drug and alcohol abuse a sleazy night job even murder won t stay hidden forever and the bridge club won t be the same after a confrontation at the weekly game leads to a string of confessions *New York Magazine* ,1988-06-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to
